Making the System Work

IEP Transition

May 14, 2016

9:00 am - 4:00 pm

With post-secondary success in mind, this six hour professional learning course provides participants the knowledge they need to develop meaningful, collaborative and compliant Transition IEPs aimed at assisting the qualifying student with disabilities in achieving successful educational/employment/independent living skills beyond high school.

Participants will:

- Understand the Rules and Regulations for Transition IEP development through examination of the Washington Administrative Code (WAC) 392-172A.
- Identify appropriate career/vocational assessments to determine employment/educational/independent living IEP goals.
- Understand the intent of the process in order to develop meaningful, individualized, and collaborative transition IEP's.

Six (6) Clock Hours will be available for a fee of \$5.00.

You may sign up and pay for clock hours onsite.
