# Common Sense Media

- [www.common sensemedia.org](http://www.common sensemedia.org)

The screenshot shows the Everett Public Schools website. The browser address bar displays [www.everettsd.org/domain/1494](http://www.everettsd.org/domain/1494). The website header includes the district logo, navigation links (District Home, Select a School, Translate this page), and utility links (CONTACT, LUNCH MENU, GRADES & MORE). A dark blue navigation bar contains links for OUR DISTRICT, DEPARTMENTS & PROGRAMS, STUDENTS, PARENTS (highlighted with a red circle), and COMMUNITY. Below this, the PARENTS section is active, featuring a 'PARENT TOOLS' sidebar with links like Overview, Help for Families, and Payment Online. The main content area includes an 'Overview' section and a 'QuickLinks' section. A red arrow points from the 'QuickLinks' header to the 'Common Sense Media' link, which is the first item in the list.

# Atomic Learning

24/7 Tech Training for  
Students, Staff and Families

# Why does it matter?

*impact students*  
*teacher effectiveness*  
*college-readiness* *technology literacy*  
*21<sup>st</sup> century education* ***engaged learning***  
**STUDENT ACHIEVEMENT**  
*teacher improvement* ***career-readiness***  
*guide self-lead learning* *lifelong learning*

# What's in it for YOU?

Atomic Learning helps you learn to use and integrate technology with confidence.

*Build Understanding*

*Put Concepts into Practice*

*Reflect & Apply*

# A District-wide Solution

## PD and Curriculum Directors

Access to job-embedded staff development resources.

## Instructional Technology

Adaptable projects for subject, grade-level or state standard to extend the impact of tech integration.

## Educators

Empowers educators with tech integration tools and training to ensure student success.

## School Leaders

On-demand training ensures that teachers use the technology the district has already invested in.

## Students & Families

Available 24/7, students can use technology to complete assignments in and out of the classroom, and use mobile devices.

## Special Education

Just-in-time answers to questions about the assistive technology tools and devices students are using.

## Technology & Curriculum

# How Atomic Learning Delivers

*Training Tutorials*

*Workshops*

*Classroom Projects*

# Getting Started

Log in for training on the software you use most often, and professional development topics:

- ✓ Microsoft applications – Excel, PowerPoint, Word
- ✓ iPad & Chromebook training
- ✓ Effective listening
- ✓ Google applications – Gmail, Docs, Sheets
- ✓ Creating effective presentations
- ✓ And many more!

# Accessing Atomic Learning at home:

- Families can access through district website
  - [www.everettsd.org](http://www.everettsd.org)

- Click **Grades & More**
- Click the link for **Atomic Learning**
- Click the Atomic Learning Icon
- Login with your personal username & password
