

Everett Public Schools Elementary Progress Report		Student:		Student ID:		School:		1					
		Grade Level: Grade 3		Year:		Teacher:							
Attendance		S1 S2		Support Services		Key for Academic Performance							
Days Absent				Highly Capable		1		Below performance expectations at this time		2		Approaching performance expectations at this time	
Days Tardy						3		Meeting performance expectations at this time		4		Exceeding performance expectations at this time	
Days Present						★		Not evaluated at this time					
Current Term Comments				Key for Behaviors that Promote Learning		Mathematics		Grade 4		S1 S2			
No comments were provided.		C Consistently		O Often		1. Operations and Algebraic Thinking							
		S Sometimes		R Rarely		Uses the four operations with whole numbers to solve problems .							
						Gains familiarity with factors and multiples to 100.							
						Generates and analyzes patterns.							
						2. Number and Operations in Base Ten							
						Generalizes place value understanding for multi-digit whole numbers.							
						Uses place value understanding of properties of operations to perform multi-digit arithmetic including adding and subtracting multi-digit numbers, and multiplying up to four digits by a one-digit number, and multiplying two-digit numbers using and explaining a variety of strategies.							
						3. Number and Operations--Fractions							
						Extends understanding of fraction equivalence and ordering.							
						Builds fractions from unit fractions by applying and extending previous understandings of operations on whole numbers including solving word problems involving addition and subtraction of fractions referring to the same whole, and multiplication of a fraction by a whole number.							
				Understands decimal notation for fractions and compares decimal fractions to hundredths.									
				4. Measurement and Data									
				Solves problems involving measurement and conversion of measurements from a larger unit to a smaller unit: knows relative sizes of measurement units within one system of units; uses the four operations to solve word problems; applies the area and perimeter formulas for rectangles in real world and mathematical problems.									
				Represents and interprets data: makes line plots to display data sets of measurements in fractions of a unit; solves problems involving addition and subtraction of fractions by using information presented in line plots.									
				Geometric measurement: understands concepts of angle and measures angles: recognizes angle measure as additive, and solves addition and subtraction problems to find unknown angles on a diagram in real world and mathematical problems.									
				5. Geometry									
				Draws and identifies lines and angles, and classifies (two-dimensional) shapes by properties of their lines and angles including recognizing, identifying, and drawing lines of symmetry.									
				6. Reasoning, Problem Solving, and Communication									
				Demonstrates strategic mathematical thinking and reasoning, using what is known to solve problems									
				Mathematics Progress		+ Significant		✓ Steady		— Minimal			
				Communication									
				1. Comprehension and Collaboration									
				Engages effectively in a range of collaborative discussions; builds on others' ideas, and expresses own ideas clearly									
				Determines the main ideas and details from a text read aloud or diverse media and formats; asks and answers questions about information									
				2. Presentation of Knowledge and Ideas									
				Reports on a topic or text, tells a story, or recounts an experience with facts and descriptive details									
				Creates audio recordings of stories or poems; adds visual displays for facts and details									
				Speaks in complete sentences									
				Communication Progress		+ Significant		✓ Steady		— Minimal			
				Ensuring each student learns to high standards.									

ReadingGrade 4		S1S2	Student:2	
1. Key Ideas and Details		☐ ☐	Science	
Refers to details and examples explicitly and when drawing inferences in literary and informational text			1. Understands Scientific Concepts and Principles	
Determines a theme (story, drama, poem) or main idea from details in the text; summarizes the text			Structure and Function of Living Organisms: Plants and animals have characteristics and basic needs for survival (Kit: Structures of Life)	
Describes a character, setting, or event with specific details; explains events, procedures, ideas, or concepts (including what happened and why) based on specific information			Properties and Change: Properties of materials may be identified by the use of physical and chemical tests (Kit: Chemical Tests)	
2. Craft and Structure		☐ ☐	Transfer, Transformation, and Conservation: Force and Energy: Pitch and volume are determined by the rate of vibration. Sound travels. (Kit: Sound)	
Determines meaning of general academic and domain-specific words/phrases as they are used in a text			Engineering Design: Engineering problems can be solved by asking questions, making observations, gathering information, and designing, testing and comparing possible solutions (Kit: EiE – To Get to the Other Side: Designing Bridges)	
Explains major differences between poems, drama, prose; refers to elements of poems and drama; describes the overall structure of events/ideas/concepts in an informational text			2. Systems: Analyze a system in terms of subsystems and large, more inclusive systems	
Compares/contrasts points of view within stories or topics including first- and secondhand accounts		☐ ☐	3. Inquiry: Carry out investigations by using instruments, observing, recording, and drawing conclusions	
3. Integration of Knowledge and Ideas			4. Application: Develop a solution to a problem by using the design process	
Makes connections between the text of a story/drama/visual/oral presentation; interprets information presented visually/orally/quantitatively in informational text			Science Progress + Significant ✓ Steady — Minimal	
Explains how an author uses reasons and evidence to support points				
Compares/contrasts themes/topics in myths and literature; integrates information from two similar texts		☐ ☐	Social Studies	
4. Range of Reading and Level or Text Complexity		☐ ☐	S1S2	
Reads and comprehends grade 4 literature and informational texts independently and proficiently			1. Social Studies	
5. Phonics and Word Recognition		☐ ☐	Civics: Understands a community is made up of people with different cultural perspectives	
Applies grade-level phonics and word analysis skills in decoding words			Economics: Understands economic systems are influenced by laws, values and customs of a culture	
6. Fluency		☐ ☐	Geography: Understands cultural characteristics of regions in North America; Understands elements all cultures share	
Reads with sufficient accuracy, fluency, purpose, rate, and expression; includes prose and poetry			History: Understands how various cultural groups have shaped history	
Uses context and rereading to confirm or self-correct words		☐ ☐	Social Studies Skills: Uses questions to find information in technology and print resources	
7. Language/Vocabulary			Social Studies Progress + Significant ✓ Steady — Minimal	
Uses knowledge of language and its conventions; chooses words and phrases for effect; uses formal/informal English based on context				
Determines or clarifies meanings of words using context, affixes, root words, resources; understands figurative language and word relationships; uses grade appropriate vocabulary		☐ ☐	Health and Fitness	
Reading Progress + Significant ✓ Steady — Minimal		☐ ☐	S1S2	
Writing		S1S2	1. Health and Fitness	
1. Text Types and Purposes			Students will demonstrate competency in a variety of motor skills and movement patterns and apply knowledge of concepts, principles, strategies, and tactics related to movement and performance.	
Writes opinion pieces on topics or texts, supporting a point of view with reasons		☐ ☐	Students will demonstrate the knowledge and skills to achieve and maintain a health-enhancing level of physical activity and fitness	
Writes informative/explanatory texts to examine a topic and convey ideas and information clearly		☐ ☐	Students will exhibit responsible personal and social behavior that respects self and others	
Writes narratives to develop real or imagined experiences or events using effective technique, details and sequenced events		☐ ☐	Health and Fitness Progress + Significant ✓ Steady — Minimal	
2. Production and Distribution of Writing		☐ ☐		
Produces writing appropriate to task and purpose			Visual Art	
Develops and strengthens writing by planning, revising and editing			S1S2	
Uses technology to produce writing, publish writing, interact, and collaborate with peers on writing			1. Visual Art	
3. Research to Build and Present		☐ ☐	Demonstrates and applies visual art skills and concepts	
Conducts short research projects			Uses creative process to develop ideas	
Recalls or gathers information from print and digital sources; takes notes and sorts evidence			Visual Art Progress + Significant ✓ Steady — Minimal	
4. Range of Writing		☐ ☐		
Writes routinely over extended time frames			Music	
5. Conventions of Standard English		☐ ☐	S1S2	
Demonstrates command of the conventions of standard English grammar and usage			1. Music	
Demonstrates command of the conventions of standard English capitalization, punctuation, and spelling			Demonstrates and applies music skills and concepts	
Writing Progress + Significant ✓ Steady — Minimal		☐ ☐	Contributes to positive group activities by participating appropriately	
			Music Progress + Significant ✓ Steady — Minimal	
		☐ ☐
