Reflect on your 7th grade goal progress and prepare for 8th grade.

Learning Outcomes

Building this knowledge early allows students to take more ownership in their learning and planning for the future.

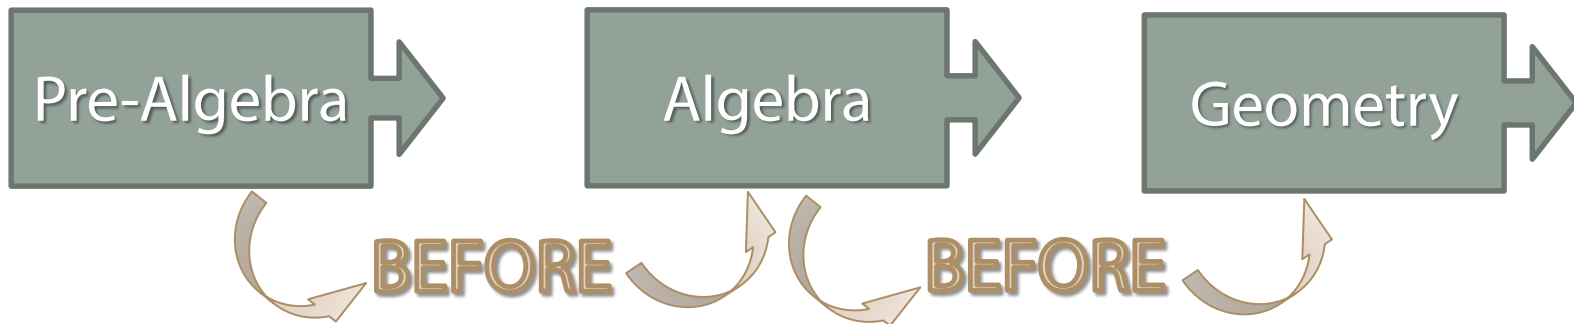

KBYG TERMS

These classes will help you prepare for higher level courses in high school.

#3 - Post-secondary Options

Post-secondary refers to your college, training and/or career plans after high school graduation.

Thinking about where you want to be in the future will help you make decisions about the courses you take in high school to achieve your future goals.

Community College
Employment

Military
Technical & Trade College

#4 - High School & Beyond Plan

Students start their plans in 8th grade and then revise them throughout high school based on their changing interests or goals.

#5 - Transcript

Year 2 of Middle School...Almost Done

At the beginning of **7th grade**, you used **Naviance Family Connection** to create a **S.M.A.R.T** goal for yourself.

Now it is time to reflect and evaluate your progress towards achieving your goal.

You will also have an opportunity to think about **8th grade** and your **“next steps.”**

Accessing Your Goal in Naviance

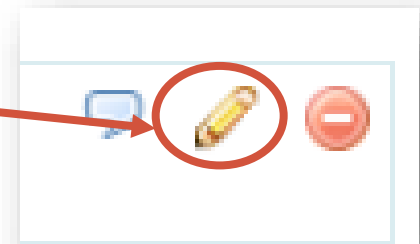

Click on the **my planner** tab →

Click the **Goals** tab

Click the edit icon to access your **7th grade S.M.A.R.T goal.**

Read and review what you wrote
for each part of S.M.A.R.T

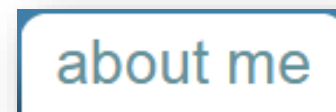

Adding a Journal Entry

In Naviance Family Connection you can use the **journal** tool to keep track of notes, files, and things you want to remember.

Using the **journal** you will write two ideas for goal topics that you will focus on starting in the fall of your **8th grade year**.

Click on the **about me** tab.

Click the **journal** link to begin your entry.

Goal Topics and Ideas

Click the link to **+ add new entry**.

In the **subject** area, type **8th grade goal ideas**.

Notes = 2 sentences

Sentence #1: *In 7th grade my goal was focused on _____.*

Sentence #2: *In 8th grade I will need to focus on _____ to continue making progress.*

The screenshot shows a web interface for adding a journal entry. At the top, a blue box contains the word 'journal' and a link '+ add new entry'. Below this is the 'add journal entry' form. The form has several fields: 'Type' (a dropdown menu set to 'N/A'), 'Subject' (a text input field with a red border and an arrow pointing to it from the text 'In the subject area, type 8th grade goal ideas'), 'Share with' (checkboxes for 'counselors', 'teachers', and 'my parents'), and 'Notes' (a large text area with a red border and an arrow pointing to it from the text 'Notes = 2 sentences'). Below the 'Notes' field is a 'Files' section with a 'Description' field (optional), a 'Find File' section with 'Choose File' and 'No file chosen' buttons, and an 'Attach' button. Below the 'Find File' section is a list of file attachments with a 'Remove' button. At the bottom of the form are 'Cancel' and 'Add Journal Entry' buttons, with the latter highlighted by a red box and an arrow.
