Find Your Test

Any assigned tests will appear once logged in.

Any **locked tests** will show first. You will not be able to access these without a teacher unlocking them.

Any **paused tests** (a test you might have started previously and are now completing) will appear next.

The **available tests** section will be where the rest of your assigned tests are located.

Click on the appropriate test.

Review Navigation and Tool Icons

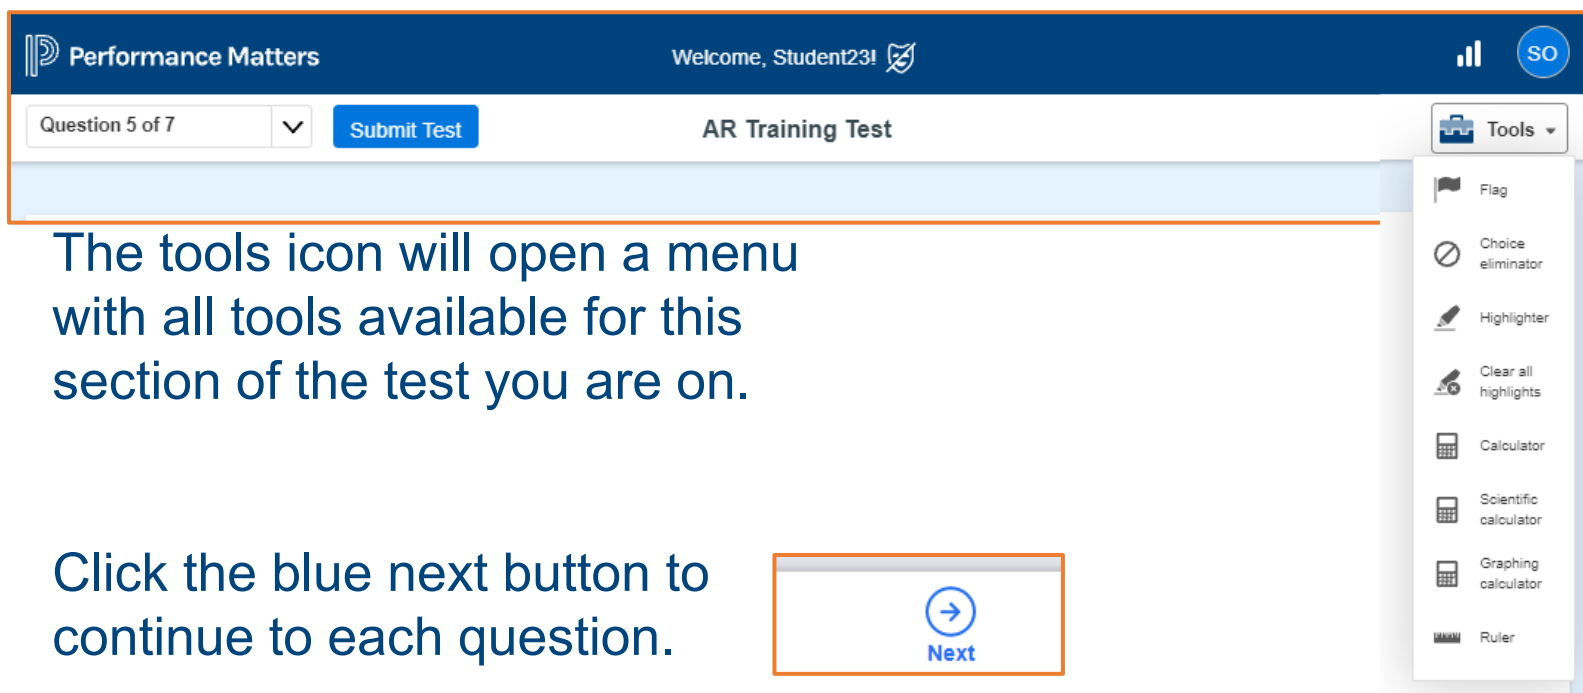

When you click the test title, the opening screen will always remind you what the navigation buttons look like, and what the tools and notifications icons are. Click the blue Next button to continue.

Take the Test!

The top of your screen your name, the title of the test, and will tell you which question you're on.

Performance Matters autosaves as you take your test. If you must log out, your progress will be saved.

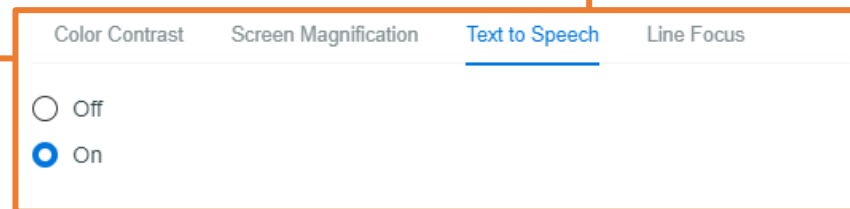

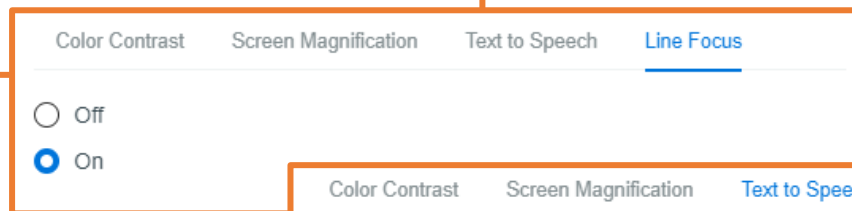

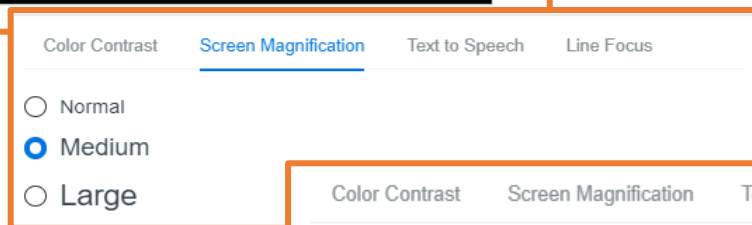

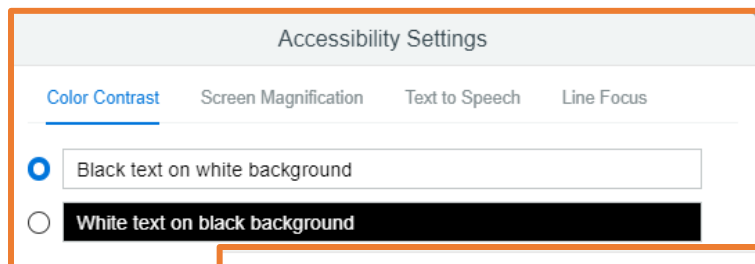

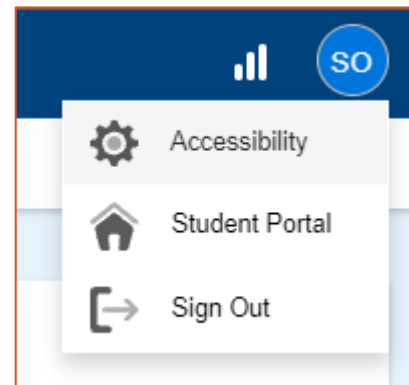

The screenshot shows the Performance Matters test interface. The top navigation bar is dark blue with the Performance Matters logo on the left, the text "Welcome, Student23!" in the center, and a signal strength icon and a blue circle with "SO" on the right. Below the navigation bar, there is a white bar with "Question 5 of 7" on the left, a dropdown arrow, a blue "Submit Test" button, and "AR Training Test" in the center. On the right side of this bar is a "Tools" button with a dropdown arrow. A menu is open below the "Tools" button, listing various tools: Flag, Choice eliminator, Highlighter, Clear all highlights, Calculator, Scientific calculator, Graphing calculator, and Ruler. Each tool has a corresponding icon. Below the screenshot, there is a blue button with a right arrow and the word "Next" below it.

The tools icon will open a menu with all tools available for this section of the test you are on.

Click the blue next button to continue to each question.

Accessibility

To access accommodations, click on your initials in the top right corner and select Accessibility. You can change the contrast, magnify your screen, enable text to speech options,

Accessibility

Clicking on the cog icon will allow students to change the speed, text highlight options, etc. Selecting translation on the left will allow students to listen to the TTS in the language they choose.

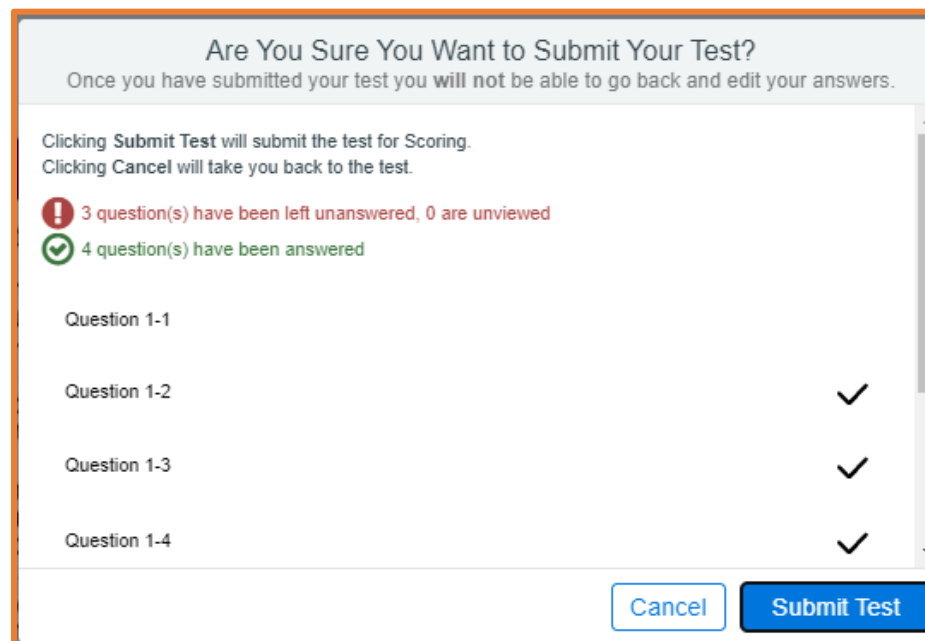

Review and Submit

When you're complete, you can review all your questions before submitting. Finally, click the blue Submit Test button at the top.

A screenshot of a test interface. At the top, there is a dropdown menu showing 'Question 7 of 7' and a blue 'Submit Test' button. Below the dropdown is a list of questions: 'Question 1-1', 'Question 1-2', 'Question 1-3', 'Question 1-4', and 'Question 1-5'. To the right of each question is a checkmark, indicating they have been answered.

You will get a final opportunity to review before final submission. Performance Matters will tell you if you've forgotten to answer any questions before submitting.

A screenshot of a confirmation dialog box titled 'Are You Sure You Want to Submit Your Test?'. The text inside reads: 'Once you have submitted your test you will not be able to go back and edit your answers.' Below this, it says: 'Clicking Submit Test will submit the test for Scoring. Clicking Cancel will take you back to the test.' There is a red exclamation mark icon followed by '3 question(s) have been left unanswered, 0 are unviewed' and a green checkmark icon followed by '4 question(s) have been answered'. Below this is a list of questions: 'Question 1-1', 'Question 1-2', 'Question 1-3', and 'Question 1-4'. To the right of each question is a checkmark, indicating they have been answered. At the bottom right, there are two buttons: 'Cancel' and 'Submit Test'.
