

ACCOUNTING TECHNICIAN

Classification: Administrative Support 1

Location: District Office

Reports to: Accounting Director
Facilities and Planning Director

FLSA Status: Non-Exempt

Employee Group: EAEOP

This is a standard position description to be used for positions with similar duties, responsibilities, classification and compensation. Employees assigned to the position description may or may not perform all of the essential functions indicated in this position description.

This job description does not constitute an employment agreement between the district and employee and is subject to change by the district as the needs of the district and requirements of the job change.

Part I: Position Summary

Responsible for performing a variety of technical accounting duties to include processing, evaluating and recording various transactions; maintaining, balancing, reconciling and adjusting accounts; preparing and maintaining a variety of financial and statistical record, reports and files; and performing a variety of accounting and financial management support functions.

Part II: Supervision and Controls over the Work

Works under the general supervision of a senior accountant or the administrator responsible for accounting and/or financial services. Work is controlled by school district, state, and federal accounting requirements and generally accepted accounting procedures. Employee is expected to administer and process routine transactions with a very high level of accuracy and reliability and with limited need for assistance from the administrator. The administrator is otherwise available for unusual or difficult matters or in situations for which there is no district precedent.

Part III: Major Duties and Responsibilities

Duties may include, but are not limited to:

1. Performs a variety of technical accounting duties in support of accounts payable, accounts receivable, and various other accounts and functions; process and verify various financial forms, documents and transactions.
