

Strategic Plan Initiative

SUPPORTIVE CULTURE — A.2.a: Enhance Positive Behavioral Interventions and Supports at every school, integrating social-emotional learning support.

SUMMARY — By creating research-based, culturally engaging opportunities where each student feels safe to engage and socially identify, this initiative links to the Supportive Culture theme of the strategic plan, which supports the six priority outcomes.

COMPLETED:

- ✓ Collaborate with other initiatives to ensure SEL and PBIS tenets are included
- ✓ Launch District Behavior Cadre to Provide Professional Development on Restorative Practices and Co-regulation as well as Trauma-sensitive practices

RESOURCES:

“I really appreciated going through the Benchmark of Implementation process and how the protocol supports our School Improvement Plan.” -middle school principal

STUDENT IMPACT:

- Students have safe and supportive learning environments in which everyone knows the school-wide expectations
- Students have classrooms with clear routines and teachers who give them feedback
- Students have a stronger sense of belonging
- Students are explicitly taught social and emotional skills

STAFF IMPACT:

- School-wide expectations are systematically taught and retaught
- Data is used to make decisions about individual students and school-wide needs
- The district's Five Core Principles of PBIS and the Benchmark of Implementation provides schools with a clear pathway toward success
