To graduate from high school in Everett Public Schools, each student must meet the following requirements as described in [Board Policy 2410](#):

- Earn seventeen (17) required subject credits (four English, three Math, three Science, three Social Studies, two Health and Fitness, one Arts, one Career and Technical Education);
- Demonstrate college and career readiness through a completed High School and Beyond Plan; and
- Meet the requirements of at least one (1) graduation pathway in math and in English Language Arts.

Everett Public Schools seeks to provide all students with the opportunity to complete graduation requirements without discrimination and without disparate impact on groups of students. In so doing, the district acknowledges that circumstances may arise that prevent a student from earning all twenty-four credits (24) required for high school graduation beginning with the class of 2021. Such circumstances may include, but are not limited to, the following:

- Homelessness;
- A health condition resulting in an inability to attend class;
- Limited English proficiency;
- Disability, regardless of whether the student has an individualized education program or a plan under Section 504 of the federal Rehabilitation Act of 1973;
- Denial of an opportunity to retake classes or enroll in remedial classes free of charge during the first four (4) years of high school;
- Transfer during the last two (2) years of high school from a school with different graduation requirements;
- In or have been released from an institutional education facility (ESSHB 1295); and
- Other circumstances (e.g., emergency, natural disaster, trauma, personal or family crisis, or other circumstance) that directly compromised a student's ability to learn.

The high school principal may grant a waiver of a maximum of two (2) elective credits required for graduation, provided the student has met the conditions listed above.
