

Course Equivalency Overview

What are course equivalencies? As a result of a change to the law, RCW 28A.230.097, the Board of Directors adopted [Board Policy 2409](#) (June 26, 2012) to grant equivalency credit for courses offered to students in high schools.

The Board supported this policy to provide greater options and pathways to graduation by allowing students to complete two graduation requirements at the same time. Course equivalency as defined in the approved Board of Directors meeting agenda has been to: "Create a 'two for one' policy that would enable students taking a CTE-equivalent course to satisfy two graduation requirements while earning one credit" (BoardDocs, June 26, 2012). Thus, Board Policy 2409 was developed which allows courses that meet CTE standards and frameworks, as well as content-area standards and frameworks, to meet both graduation requirements.

For each school year, there is a list of approved course equivalencies.

* Beginning with the 2015-16 school year, designated Sno-Isle Tech courses are also approved for course equivalency. For a list of course equivalencies, see the last page of this document.

For more information, please contact Jeanne Willard, Executive Director, College and Career Readiness & Extended Learning Options, (425) 385-4078, jwillard@everettsd.org.

EQUIVALENCY CREDIT APPLICATION 2023-2024

Student Name: _____

Sending School: _____ Grade: _____

Sno-Isle TECH Program: _____

Sno-Isle TECH certifies that the delineated quantity of equivalency instruction is imbedded in the curriculum of the programs listed below, for successful completion of **AN ENTIRE SCHOOL YEAR** of the program. Theory and application documentation may be obtained directly from the instructor. ***Please note: It is the decision of the student's sending district whether to accept Sno-Isle TECH equivalency credits.***

THIS APPLICATION IS NOT VALID UNTIL ALL SIGNATURES HAVE BEEN OBTAINED.

Sno-Isle TECH Program	English	Fine Arts	Lab Science	Math	P.E.	Science
Advanced Manufacturing	no	no	no	no	no	no
Aerospace Manufacturing & Maintenance Technology	☐ 1.0	no	no	☐ 3rd Year	no	☐ 1.0
Animation	no	☐ 1.0	no	☐ GEO - 1.0	no	no
Auto Body & Collision Repair	no	☐ 1.0	no	no	no	no
