Empower to Lead

To support this district initiative, the Diversity, Equity, and Inclusion Department hosted the annual Empower to Lead Student Summit, "Elevate Your Joy", last Friday, February 23, 2024. In attendance for this event was a combined total of 170 staff, community members, and students from each high school. During this summit, students engaged in various topics including social justice, LGBTQIA+ advocacy, mental health, leadership, high school & beyond, and college readiness. Students were able to leave with tools on how to elevate their inner joy and how to address and lead from a role of influence with our district core values, passion, respect, integrity to foster and embrace diversity and equitable outcomes through shared responsibility.
