Parent/Guardian Consent

I certify that I am a parent or legal guardian of the student named above ("Student"). I understand that in the program listed above (Cooperative Work-based Learning, Instructional Worksite Learning, or CTE Coordinating Course) the Student will perform work-related learning activities in a work-based environment, and that school personnel may not be present when the Student is at the worksite. I understand this to be an enriching opportunity for the Student that will allow him/her to apply his/her classroom learning while developing valuable work experience and prospective employment contacts. Although I understand that the school district will make reasonable efforts to ensure that the worksite is a safe environment for the Student, I am fully aware that there are special dangers and risks inherent in participating in any off-site work experience beyond the control and custody of the school district. Being fully aware of these risks, I hereby give consent for the Student to participate in the program.
