

College in the High School Teacher Application

To become a CiHS teacher, please complete the application below. **To review teachers and courses currently approved for CiHS, please check [HERE](#). If a teacher and a course are currently on this list, there is no need to re-apply.** However, each institution may have a process for re-approval, especially if last approval was three years ago or longer.

It is important to note that if a teacher and course are approved as CiHS by more than one college or university that CiHS courses may not be combined between institutions within the same course section. For example, in a Spanish IV CiHS class, college credit can only be offered through EvCC, EC, UWHS, CWU or EWU. The class cannot be offered for CiHS credit through multiple colleges or universities for the same class period.

CiHS must be approved by the college AND by the district. A teacher must be approved for each course.

College/University	Application Window for 2025-26 School Year	Application information
Everett Community College (EvCC)	January 6 – May 30 Tentative dates – EvCC has not confirmed that they are accepting new applications	Complete <u>Parts One and Two</u> of CiHS Application (below) and send to CiHS@everettsd.org
