Is your Signature STEM program at your high school or do you travel in the afternoon?

- My Signature STEM program is at my high school
- I travel to my Signature STEM program from my high school

How has the transportation process been for you?

- Transportation from my high school to my Signature STEM program and back is easy
- Transportation from my high school to my Signature STEM program and back was difficult at first but not any more
- Transportation from my high school to my Signature STEM program and back is still confusing or difficult for me
- I do not need to utilize transportation for my Signature STEM program because it is at my home school

Please select which of them items below you were aware of before your program started

- Transportation to my Signature STEM program would be provided to either CHS or EHS and back
- My signature STEM classes might have students from all other high schools in it
- I would need to eat lunch on the bus on my way to CHS or EHS
- I might arrive back to my high school in the afternoon after dismissal for the day
- My Signature STEM bus could take me directly home after school instead of to my high school

Would you do it again with another program if you could?

- Yes.
- I don't know.
- No.

Is there anything else you'd like to tell us about your Signature STEM program?

CTE Signature STEM Survey Questions

If the Signature STEM program was 3 period per day, would you have been able to participate?

- I would have still signed up
- I would have still signed up but would need to earn additional credit somehow.
- I would not have signed up due to credits.
- I would not have signed up due to conflicts within my schedule.
- I would not have signed up for other reasons.
- I am not sure.

What barriers did you experience in being a part of the program? (open ended)
