

Name: _____ Date _____ Period: _____

Child Development Activity Project

Assignment:

- Each person in groups of 2 will come up with a theme unit that includes an activity/craft, the making of a homemade book, and the making of a puppet with instructions of how a person could incorporate the puppet or use the puppet to go with the theme that will be shared with the class which would foster growth in children (ages 3-4, 4-5, or 5-6) in the four developmental areas.
 - Emotional
 - Social
 - Intellectual
 - Physical
- The activity must be able to be carried out with little or no cost.

Directions:

- Choose an activity centered around a theme (bugs, flowers, letters, numbers, zoo animals, farm animals, boats, water life, wild life, trucks, cars, food, etc). Keep in mind the four developmental areas: emotional, social, intellectual, and physical. Websites to try for ideas would be Family Fun Magazine, Parents, Cookie Magazine, etc.

Activity Name:

Teacher Approval:

- Type a description of the activity. It could be a half sheet or full sheet of paper. Include the following in your description:
 - Purpose of Activity** (How will the 4 areas of development be strengthened by the activity?)
 - Number of Children**
 - Materials Needed**
 - Description of Activity** (Step-by-Step directions on how to do it with one made sample or at least a picture of the made product).
- Turn in the following information:**
 - This assignment sheet with teacher approval.
 - One copy of your activity description with all required information on it.
 - The homemade book centered and related to the theme
 - The homemade puppet with instructions on how to incorporate it into the theme/lesson/activity typed out
 - For leadership points you can also carry out your activity with a group of children. Pick up a form from me.

Grading:

- Explanation of activity and how it meets the areas of development- 10 pts
- Directions clear and easy to understand- 10 pts
- Demonstrates effort- 10 pts
