COURSE PLACEMENT

Most new students are required to get English and math placement before registering for classes. Proper placement ensures you are in the right classes to be successful.

Placement is how we find out your current level of reading, writing and math knowledge and skills. This information helps us find the best classes for you.

Many of our classes will have a math and/or English prerequisite.

Visit our *Course Placement* page to learn about the different placement options and see which option is the best for you. If you have any questions about course placement, please email placement@everettcc.edu.

PLACEMENT FORM

IT'S FREE & YOU CAN EASILY SUBMIT ONLINE

GREAT OPTION IF:

Ways to Pay for College

Financial Aid

2025-2026 Academic Year Priority Processing Dates:

Fall 2025 June 6, 2025

Winter 2026 November 7th, 2025

Spring 2026 February 13th, 2026

Benefits of Meeting the Priority Processing Date:

Tuition Postponement Hold: If you meet the priority processing date, you may be eligible for a tuition postponement hold, allowing you to remain registered for your classes while your financial aid is processed.

Ways to Pay for College

What Happens if You Miss the Priority Date?
Don't worry—you can still apply for financial aid!
However:

- **Late Files:** Applications completed after the priority date may not be reviewed until after the quarter begins.

- **Planning Ahead:** Be prepared to cover your educational expenses upfront while your aid is being reviewed.

- **Retroactive Aid:** If you qualify for grant aid, it will be applied retroactively for the quarter(s) you were eligible.

Ways to Pay for College

- There are many other ways to help fund your education! Some examples include:
  - Scholarships
  - Veterans' Funding
  - Workforce Funding
  - Payment Plan
  - Tuition Reimbursement

Center for Disability Services

- Everett Community College is committed to providing equal opportunity for students with disabilities.

- Students may be eligible for accommodations if they have a physical, mental, psychological or sensory barrier that limits one or more major life activities.

- By providing reasonable accommodations based on an individual's need for services, CDS assists students in pursuing their goals at Everett Community College. Many of these accommodations are to assist students with their academic programs.

TRiO Student Support Services

❧ TRiO empowers first-generation, low-income students, and students with disabilities to navigate opportunities and barriers in order to author their authentic dreams. TRiO cultivates personal growth, academic progress, and community development through a social justice lens.

❧ **TRiO offers the following free services to participants:**

- ❧ Personalized one-on-one academic planning and goal setting
- ❧ Transfer advising
- ❧ Major choice and career advising
- ❧ Tutoring for specified courses
- ❧ Visits to local 4-year colleges and universities
- ❧ Scholarship and financial aid resources
- ❧ Cultural and Educational Events

MESA (Math, Engineering, Science Achievement)

MESA Student Support Services

- Transfer planning

- Academic excellence workshops

- Industry field trips to local companies

- Dedicated study space

The MESA Program at EvCC provides resources and extra support to students who want to transfer to four - year colleges or universities in pursuit of STEM based degrees.

The goal of MESA is to increase the number of higher education degrees in STEM acknowledging the gaps still seen with historically underrepresented community college students. Undocumented students are welcome to apply.

To join, students must be pursuing their first bachelor's degree. The MESA Program provides a variety of services such as the use of the MESA center for studying, borrowing textbooks, academic and professional development workshops, university trips, and field trips.

The Everett University Center

- First, earn your 2-year associates degree at EvCC.

- Next, earn your bachelors or even a masters degree at 1 of 4 universities at the Everett University Center!

- Universities Include:

  - Eastern Washington University

  - UW - Bothell

  - WSU – Everett

  - Western Washington University
