

Electronic Daily COVID Health Attestation Option

As you've been aware, in order to work on-site in an Everett Public Schools facility, each employee has been required daily to attest that they are free from COVID-related symptoms.

We are ready to launch an electronic attestation solution. However, due to the recent expectation for many staff to work remotely, we will be **offering the electronic attestation as an option** for those who anticipate working on-site one or more days per week up through winter break.

If you would prefer to attest electronically rather than signing in on paper at your work site each day, click here: [RAVE ATTESTATION SIGN-UP link](#)

NOTE: If you decide not to sign up for the electronic attestations, you will be required to continue to attest on the paper forms at your site.

How it will work:

- If you would like to utilize this option, complete the form at the following link at least 24-hours in advance of when you'd like to start the electronic attestation
- A daily link to an attestation poll will be sent to your EPS email address (as well as a text to your smart phone if you sign up for that option)
- You will review the symptoms and exposure indicators and then select the response that reflects your current status for the day
- If you decide to opt-in to this electronic attestation, there will be an expectation for you to complete the attestation each day, even if you are working remotely that day

PLEASE REVIEW THE FOLLOWING, AND THEN SELECT THE OPTION BELOW THAT MOST ACCURATELY REFLECTS YOUR STATUS TODAY:

COVID-19 RELATED SYMPTOMS:

- Temperature greater than 100.4° F
- Persistent cough
- Shortness of breath or difficulty breathing
- Chills
- Fatigue
- Muscle and body aches
- Headache
- Sore throat
- Loss of taste or smell
- Congestion or runny nose
- Nausea/vomiting or diarrhea

CLOSE CONTACT / POTENTIAL EXPOSURE

• Within the past 14 days, have you been in close physical contact (6 feet or closer for a total of 15 minutes or more in a day) with a person who is known to have laboratory-confirmed COVID-19 or with anyone who has any symptoms consistent with COVID-19?

- I am symptom and exposure free, and I will be working on-site today.
- I am symptom and exposure free, but I have approval to work remotely today.
- I have tested positive for COVID-19, and therefore I will NOT be coming into an EPS facility today.
- I have one or more symptoms listed above (or I am awaiting test results), and therefore I will NOT be coming into an EPS facility today.
- I have had a COVID exposure described above, and therefore I will NOT be coming into an EPS facility today.
- For a non-COVID related reason, I will not be working today.
