Outside graduation at memorial stadium

There really isn't any excuse why we can't have an outside graduation. The district has had ample time to plan and organize such an event.

I would like the seniors to have a formal ceremony in which they wear cap /gown, have speeches, music and walk up to get their diplomas and have photo

This is important to celebrate the years of hard work that has been put in and to share the joy of accomplishment in front of friends and family

Have graduation at Memorial Stadium, graduates on the field, families in the stands.

These kids have missed EVERYTHING that a senior should experience (not to mention half their junior). Don't take graduation away from them.

I think Everett stadium holds 12,000 people for football. Seems big enough for students +2 guests to safely distance from one another for graduation.

Such an unusual year, would be awesome to have a graduation celebration with a commencement speaker the students won't forget. Aim high!

Honor seniors with an outdoor graduation.

Schools nationwide have held graduation outside, long before the pandemic. Seniors can sit 6ft apart and wear masks. Limit attendees. It's not hard.

Weather permitting, Everett Memorial Stadium should be suitable for an outdoor graduation

An outdoor graduation will still give the kids a ceremony but allow for appropriate social distancing, etc.

I think we should still have a ceremony in a big space , just following social distancing

I want to be able to walk across the stage and have my intermediate family see me graduate.
Its important to me because its like the final hurrah and my family would like to witness it just like they got to for my sister (co 2019).

Now that we are in Phase 3 with spectators allowed for sporting events, I think our seniors should be honored with an outdoor graduation.
It is the least we can do! Our communities have made sacrifices to reach P.3 and on our way to P.4 We need to honor these students & families.

Need family members to attend
This is a HUGE milestone four our kids, they have worked so hard and deserve this opportunity with the ones who have supported them through this time
