Definition: “Emergency expulsion” means the removal of a student from school because the student’s presence poses an immediate and continuing danger to other students or school personnel, or an immediate and continuing threat of material and substantial disruption of the educational process, subject to the requirements in [WAC 392-400-510](#) through [WAC 392-400-530](#).

Optional Informal Conference with the Principal

If a student or the parents/guardians disagree with the school’s decision to administer an emergency expulsion, the student or parents/guardians may request an informal conference, orally or in writing, with the principal or designee to resolve the disagreement.

The principal or designee must hold the conference within three (3) school business days after receiving the request, unless otherwise agreed to by the student and parents/guardians.

During the informal conference, the student and parents/guardians will have the opportunity to share the student’s perspective and explanation regarding the events that led to the behavioral violation. The student and parent/guardian will also have the opportunity to confer with the principal or designee and school personnel involved in the incident that led to the emergency expulsion. Further, the student and parent/guardian will have the opportunity to discuss other forms of discipline that the district could administer. An informal conference will not limit the right of the student or parents/guardians to appeal the emergency expulsion.

Appeal Request/Hearing

A student or parents/guardians may appeal an emergency expulsion to the superintendent or designee orally or in writing. The request to appeal must be within three (3) school business days from when the district provided the student and parent/guardian with written notice.

The superintendent or designee must deliver a written notice of appeal hearing to the student and parents/guardians in person, by mail, or by email within one (1) school business day after receiving the appeal, unless the parties agree to a different timeline. Written notice will include:

- The time, date and location of the appeal hearing;
- The name(s) of the official(s) presiding over the appeal;
- The right of the student and parents/guardians to inspect the student’s education records;
- The right of the student and parents/guardians to inspect any documentary or physical evidence and a list of any witnesses that will be introduced at the hearing;
- The rights of the student and parents/guardians to be represented by legal counsel; question witnesses; share the student’s perspective and explanation; and introduce relevant documentary, physical or testimonial evidence; and
- Whether the district will offer a reengagement meeting before the appeal hearing.

Hearing

The district will hold an appeal hearing within two (2) school business days after the superintendent or designee received the appeal request, unless the student and parents/guardians agree to another time.

A hearing officer will be designated to hear and decide emergency expulsion appeals. The presiding official may not have been involved in the student’s behavioral violation or the decision to suspend or expel the student.

The hearing officer will provide a written decision to the student and parents/guardians in person, by mail, or by email within one (1) school business day after the appeal hearing.
