School board process for new board member appointment

Board member April Berg to resign effective June 1. Replacement will serve through 2023.

School Board Representative April Berg submitted a letter of resignation to President LeSesne on May 12, 2022, subject to board acceptance during the May 24 regular board meeting. President LeSesne charged the superintendent with starting the process to accept applications for board consideration in accordance with existing board [policy](#) and [procedure](#) and announced the process and timeline for qualified applicants to submit application materials the board will consider in appointing a successor to Berg.

If a nominee so chooses, they must indicate interest in the position by providing application materials. Or 2) Direct application. Individuals may directly apply for the position themselves; candidates do not need to be nominated to apply for this position.

Upon request, the superintendent will make available a summary of school board member responsibilities and meeting dates. Potential applicants or those considering submitting nominations for the vacant position are also invited to review school board information on the district website [school board pages](#) as well as background school board meeting material on [BoardDocs](#).
