WOODSIDE ELEMENTARY SCHOOL NEWSLETTER

November 2022

Dear Parents,

Welcome to November! I can hardly believe that November is already here; however, the weather does seem to remind us that winter is upon us. The time has flown by, and I am pleased with the amount of work and progress we have accomplished in the first two months of school.

Parent-teacher conferences are scheduled for October 31 – November 4. During this week, Woodside will be on an Early Dismissal schedule, dismissing students at 12:20 – lunches will be served. Parent-teacher conferences are a very valuable opportunity for you to discuss the academic and social growth of your child. We look forward to seeing you at these upcoming conference meetings.

Student success and improving student achievement are a priority at Woodside. We are focused on instruction that supports grade level standards and engages students in the learning process. Instruction is being structured where students do the thinking, their voice is elevated, and the students are supported and empowered. The goal of all literacy instruction is to foster proficiency, confidence, and a love for reading and writing. Reading instruction is guided by grade level expectations as defined in the standards. Assessment practices are ongoing, and the data is used to inform instruction. A gradual release of responsibility is an undergirding principle of teaching and learning. Lessons are intentionally planned and include knowledge of students, learning targets, academic vocabulary, instructional outcomes (academic and social-emotional learning), knowledge of resources, a sequenced instructional design, and aligned formative assessment practices.

In the area of math instruction, we are in our second year of implementing the district adopted Illustrative Mathematics Program (IM) in grades K-12. Our goal is to have an aligned system throughout the school district for all students. The goal is to ensure all students have a consistent math experience, no matter what classroom or grade they are in. Teachers consistently use a Launch – Work– Synthesis model across grade levels. The use of math language routines engages students in math learning; and the program includes IM centers, which provide additional practice and develops students' procedural fluency.

Classroom science instruction in grades K-5 takes place up to 120 minutes a week, using our current science curriculum. All Woodside students are scheduled for additional STEM instruction

weekly, in our school Innovation Lab. All instruction aligns with Next Generation Science Standards (NGSS).

Student success and improving student achievement are a priority at Woodside. Two of the most essential questions we can ask ourselves are “What does success look and feel like for students?” and “How can we best help each child reach that potential?” These questions highlight our moral obligation as teachers—this is the essence of what we do at Woodside.

As we enter into the holiday season, I continue to be thankful to be the principal of a school that cares deeply about the success of students—ALL students. Our work is hard, emotional, and passionate; and there is no other work that is more important.

Sincerely,

Dr. Betty J. Cobbs

Proud Principal of Woodside Elementary School

Please do your part to support our Woodside student expectations:

Dear Woodside Families,

We had our first S.O.A.R. kick-off assembly of the year for all grades K, 1, 2, 3, 4, and 5 where Woodside students re-learned expectations and November's theme of S is for Safety. At the start of the year, paraeducators led classroom rodeos with teachers, to teach students S.O.A.R. expectations on the playground at recess, on the bus, and walking through common areas of the school. Family partnerships are an important part of student learning and success. The matrix below describes S.O.A.R. expectations in all areas of the school. Parents can review, familiarize yourselves and discuss the S.O.A.R. matrix with your student at home. This practice of families working together with the school to support S.O.A.R. expectations, ensures all students gain a social, emotional skillset that prepares them for a future of success in school and beyond. Each month our schoolwide focus will be on one letter in S.O.A.R. and students will have the opportunity to collect S.O.A.R. tickets towards our school goal for a monthly school incentive. At Woodside, we use the acronym S.O.A.R. to teach behavior expectations.

2022 Capital Levy update

We are grateful to our voters for approving the 2022 Replacement Capital Levy. As the levy funding is spread over six years, project timelines for the facility projects and technology improvements have been developed to align this work with the revenue stream. These timelines and the rationale for prioritizing these projects and improvements, along with other information regarding the 2022 capital levy, is available at www.everettsd.org/CapitalProjects.

Native American Indian and Alaska Native Heritage Month

November is Native American Indian and Alaska Native Heritage Month. What started at the turn of the century as an effort to gain a day of recognition for the significant contributions the first Americans made to the establishment and growth of the U.S., has resulted in a whole month being designated for that purpose.

Daylight Saving Time Ends

November 6, 2022, Daylight Savings Time Ends and we “fall back” one hour.

Remember to vote Nov. 8

Remember to deliver your ballot to a ballot drop box near you or put it in the mail by Nov. 8. Postage is not required for ballots.

Receive information the way you prefer

This is a friendly reminder that parent and guardians can select your preferred method of communication so you will not get the same message in multiple formats unless you choose to. Below are some steps you can take:

- Download the district's mobile app. One of the many features is to select your delivery preferences. Once you have signed into your account, click on your profile tile and then "Edit Delivery Preferences" at the top.
 - Click on the icon for app, text, phone or email to turn off that mode. Green indicates the mode is turned on. Some modes are locked, as indicated with the lock in the upper corner of the icon.
- Keep your contact information current by updating the "Annual Student Update Form 2022-2023" in Home Access Center or by letting your school office know anytime there is a change.
- Please visit the communications department webpage for a list of timely and relevant information to strengthen connections among families, staff and community.

2023 Prodigies for Peace Writing and Art Contest

The Snohomish County Black Heritage Committee is proud to announce the 22nd annual Prodigies for Peace Writing and Art Contest for the Snohomish County Dr. Martin Luther King Jr. Community Celebration in January 2023.

The Prodigies for Peace Writing and Art Contest helps students draw connections between the people and the events that shaped the civil rights movement and the social issues that influence their lives today. Participation in this contest helps our local community remember and celebrate the life of Dr. Martin Luther King, Jr. Contest categories include essays for grades 3-5, grades 6-8 and grades 9-12, as well as art for grades K-12.

For contest instructions and entry, please visit www.everettsd.org/DEI and click on Prodigies for Peace in the Quicklinks.

Online safety tips

- Keep the computer in a busy area of your home.
- Use an app to keep an eye on your child's online activity on their device.
- Talking about cyberbullying; ask if someone they know has been a victim. Ask if they have been victimized.
- Set up email and social media accounts with your children. Know their screen names and passwords and explain the reasons for not including any personal information in profiles.

Know who is in the "buddy lists." Get to know the cyberfriends as well as you do those who visit your home. Parents and guardians may find the following resources helpful to begin a conversation about the dangers of engaging in cyberbullying and how to stay safe online:

- [Stop Bullying Now](#)
- [Ms. Parry's Guide to Correct Online Etiquette](#)
- [Common Sense Media](#)

Have a safety concern related to schools? Report it!

You can call, text or email your concern.

If there is reason for concern about safety on a designated walkway to school, call 9-1-1 immediately for authorized, quick help. We have strong partnerships with local law enforcement who share our interest in safe schools and neighborhoods.

Student safety is a priority for all of us. Working together, we can help make our neighborhoods and schools nurturing places for students to safely learn and grow.

Reunification simulation held

Thursday October 6 district staff, community volunteers and 4 busloads of students and staff from Jackson High School participated in a reunification drill. The drill was an important part of practicing and testing the reunification plans of the district in case a school needs to be evacuated. Memorial Stadium serves as the reunification location for the entire district and the drill is practiced every two years, except during remote learning.

You can find out more information on the reunification process on the [safety and security webpage](#). Useful feedback was received on ways we can continue to improve our processes.

Actualización sobre el Impuesto al Capital de 2022

Agradecemos a nuestros votantes la aprobación del Impuesto al Capital de Reposición de 2022. Debido a que los fondos del impuesto se distribuirán durante seis años, los plazos de los proyectos para los proyectos de instalaciones y mejoras de tecnología se desarrollaron para que este trabajo esté en consonancia con la fuente de ingresos. Dichos plazos y los criterios para priorizar estos proyectos y mejoras, además de otra información sobre el impuesto al capital de 2022, se encuentran disponibles en www.everettsd.org/CapitalProjects.

Mes de la Herencia de los Indios Americanos y Nativos de Alaska

Noviembre es el Mes de la Herencia de los Indios Americanos y Nativos de Alaska. Lo que comenzó a finales del siglo como una iniciativa para contar con un día de reconocimiento a las contribuciones significativas que hicieron los primeros americanos a la fundación y el crecimiento de los Estados Unidos dio lugar a la designación de un mes completo para ese fin.

Concurso de Escritura y Arte Prodigios para la Paz 2023

El Comité de Herencia Negra del Condado de Snohomish se enorgullece de anunciar el 22 Concurso de Escritura y Arte Prodigios para la Paz anual para la Celebración Comunitaria del Dr. Martin Luther King Jr. del Condado de Snohomish en enero de 2023.

El Concurso de Escritura y Arte Prodigios para la Paz ayuda a los alumnos a establecer vínculos entre las personas y los eventos que dieron forma al movimiento por los derechos civiles y los aspectos sociales que influyen en sus vidas en la actualidad. La participación en este concurso contribuye a que nuestra comunidad local conmemore y celebre la vida del Dr. Martin Luther King, Jr. Las categorías del concurso incluyen ensayos de tercero a quinto grado, sexto a octavo grado y noveno a duodécimo grado, además de arte de jardín de infantes a duodécimo grado.

Para acceder a las instrucciones e inscribirse en el concurso, visite www.everettsd.org/DEI y haga clic en “Prodigies for Peace” (Prodigios para la Paz) en los enlaces rápidos.

Consejos para la seguridad en línea

- Mantenga la computadora en un lugar concurrido de su hogar.
- Utilice una aplicación para hacer un seguimiento de la actividad en línea de su hijo en su dispositivo.
- Hable sobre el ciberacoso escolar; pregúntele si conoce a alguien que fue una víctima. Pregúntele si su hijo fue una víctima.
- Cree cuentas de correo electrónico y medios sociales con sus hijos. Conozca sus nombres de usuario y contraseñas, y explíqueles los motivos por los que no deben incluir información personal en los perfiles.

Sepa quién está en las “listas de amigos”. Debe conocer a los ciberamigos con la misma profundidad con la que conoce a los que visitan su hogar. Es posible que los siguientes recursos resulten útiles a padres, madres y tutores para comenzar a hablar sobre los peligros de practicar el ciberacoso escolar y cómo proteger la seguridad en línea:

- [Pongamos punto final al acoso escolar ahora mismo](#)
