

Reader Board Replacements

Estimated project cost	\$400,000
Estimated final completion date	Ongoing

The following schools have been identified to receive new electronic reader boards, either pole-mounted or building-mounted: Phase One includes Cascade HS, Hawthorne ES, Silver Lake ES and Silver Firs ES. Phase two reader boards includes Emerson ES, Garfield ES, Jefferson ES, Penny Creek ES, and North MS. Phase three reader boards includes Jackson HS, Gateway MS, Sequoia HS and Evergreen MS.

Updates:

- December 21, 2022: Phase One reader boards are complete at Cascade, Hawthorne, Silver Lake and Silver Firs. Phase Two reader boards at Penny Creek ES, Emerson ES, Garfield ES, Jefferson ES and North MS are expected to be installed winter/spring of 2023. Conduit was installed under the parking lot of Penny Creek during winter break. Phase Three reader boards will be installed at Sequoia HS, Gateway MS, Evergreen MS and Jackson HS by the end of 2023.
