About Me 

Create New Course Plan

STEP 1
Choose Plan

STEP 2
Create New

STEP 3
Add Courses

Select the graduation plan you would like to build.

Start by selecting a high school and then select one of the graduation plans available at that school. You will then be able to select courses and explore and apply career pathways courses to your plan. You can also create more than one plan so that you can explore different pathways available at different schools.
