

## Viewing Behavior Incidents in Home Access Center (HAC)

Parents can log into Home Access Center (HAC) and view all the behavior incidents that have been recorded for their student while enrolled in Everett Public Schools.

To sign into HAC, go to Everett Public Schools' website: [www.everettsd.org](http://www.everettsd.org) and click on the **A+ Grades** tab, then [Home Access Center](#) and log in using your parent username and password.

Parents will log in using the same credentials for Gradebook and Canvas Parent websites. \*If you do not know your parent/guardian username and password, please see this [link for further instructions](#).

Once signed into [HAC](#), navigate to the Student Support tab.

Click the discipline incident to view the basic incident details. In the Incident Role column, it will list the student's role in the behavior incident (Offender, Victim or Witness). Click the role to view additional details and actions taken for the specific behavior incident.
