

## Place Holder: Staff Handbook – Current

Please replace this Placeholder document with your school's handbook. Please be sure to follow the directions below to update the file.

### How to update a new version of the same document?

1. Log into [DocuShare](#) (DOCUSHARE > EVERETT PUBLIC SCHOOLS DOCUMENTS > SCHOOL SPECIFIC DOCUMENT > YOUR SCHOOL'S NAME)
2. Click on the ellipsis (three dots) across the document you need to update.
3. Select Upload a New Version.
4. Select "Choose File" and upload the document – **do not change the title of the placeholder document**

The screenshot shows the DocuShare interface for a folder named "Staff Handbook". A table lists documents, with the first one, "Cascade Staff Handbook - Current", highlighted. A red arrow points to the ellipsis icon next to this document. A context menu is open, showing options: "Check Out", "Upload a New Version", and "Comments". The "Upload a New Version" option is highlighted. Below the table, the "Add Version" dialog box is open. It has a section labeled "UPDATE" with a "Filename: (required)" field containing a "Choose File" button and the text "No file chosen". Below this, a "Title: (required)" field contains the text "Cascade Staff Handbook - Current". A red box highlights this title field, with a red arrow pointing to it from the text "DO NOT CHANGE Title". There is a checkbox labeled "Change the title of the document to this title" which is unchecked. At the bottom of the dialog is a "Version Comments:" text area and an "APPLY" button.
