

Policy 1230 Legislative Representative

In 2019, WSSDA's membership voted to combine its Legislative Assembly and Delegate Assembly into one General Assembly. Revisions to this policy update the name "Legislative Assembly" to "General Assembly."

Policy 1610 Conflicts of Interest

Revisions are from WSSDA to reflect statutory language, including SB 6326 – Municipal Conflicts of Interest – Various Provisions (2020). This legislation amended threshold amounts regarding certain exceptions to the rule on conflicts of interest. Language has also been added regarding the district employing the spouse or domestic partner of a director or district officer as a substitute teacher.

Policy 3117 Students in or Release from an Institutional Education Facility

This new policy was created by WSSDA to comply with HB 1295. The legislature finds that students in Washington's secure facilities have been unable to access the education and supports they need to make life-changing academic progress. As a result, these students have experienced dismal graduation and recidivism rates, and have lost invaluable opportunities for hope and transformation. School district's must provide supportive actions for these students, including access to world language proficiency tests, American Sign Language (ASL) proficiency tests, and general education development (GED) tests.

Policy 3241 Non-District Provided Transportation

Revisions are from Megan Gunder and reflect that the prohibition of the use of ridesharing services does not include transportation services that the district contracts with.
