# Stay informed!!! Activate your LMS parent/guardian account now!

The Learning Management Services (LMS) team is a service group within the Learning and Information Technology Services (LITS) department providing families support in utilizing our district applications for information management and instructional access. LMS applications offer parents and students secure online access to student information. With just a few clicks, you can stay informed about **student progress** or examine **unofficial transcripts and test scores**.

What can I use my parent account for?

LMS parent/guardian accounts allow parents to access to the following systems:

Info	**Home Access Center (HAC)** This system allows parent and students to access basic demographic information, attendance, current year report cards (gr 6-12), transcripts (gr 7-12), discipline, view IEP plan, as well as view transportation information. Parents will also be able to access links within HAC: • Enroll a new student • Complete the Annual Student Information Update Form Secondary students will be able to: • Request next year's courses each Spring
Gradebook icon	**Gradebook** This system allows parents & students to view information in real-time, such as current grades, assignments, and attendance. Parents & students can set up weekly notifications in Gradebook to alert them for missing assignments or falling grades*. *Notifications must be reset each semester as the notifications are tied to specific semester schedules.
Canvas icon	**Canvas** This system is used by teachers to deliver course content, organize online resources, host online discussions. Parent accounts allow parents to login in as an observer to their student(s) within the platform. Parents will be able to view content, message teachers, help their student stay on track. * Parents will also receive notifications from Canvas for Announcements, Assignments, Discussions, Calendar reminders, etc
District App icon	**District App** The app allows parents to have all their online resources and communications in one hub. Parents can manage their district communications here. By default, parents will receive messages in the format of phone, email and text. Within the app, parents can set a preference*. *Parents must have at least one method of communication, they cannot remove all modes.

How do I get a login/password?

Email the LMS team at LMS@everettsd.org with your name, student name(s), student ID# and/or DOB and school they attend. We will respond with your login/password by email. Our system will only send information to the email on file with the school.
