MY MANY INTELLIGENCES & MY FUTURE

Naviance Student

WHAT ARE INTELLIGENCES?

Your Multiple Intelligences

The theory of having Multiple Intelligences refers to **HOW** you learn.

Remember...

Every person does NOT learn in the same way

Each of the nine intelligences represent different areas of the brain that process information

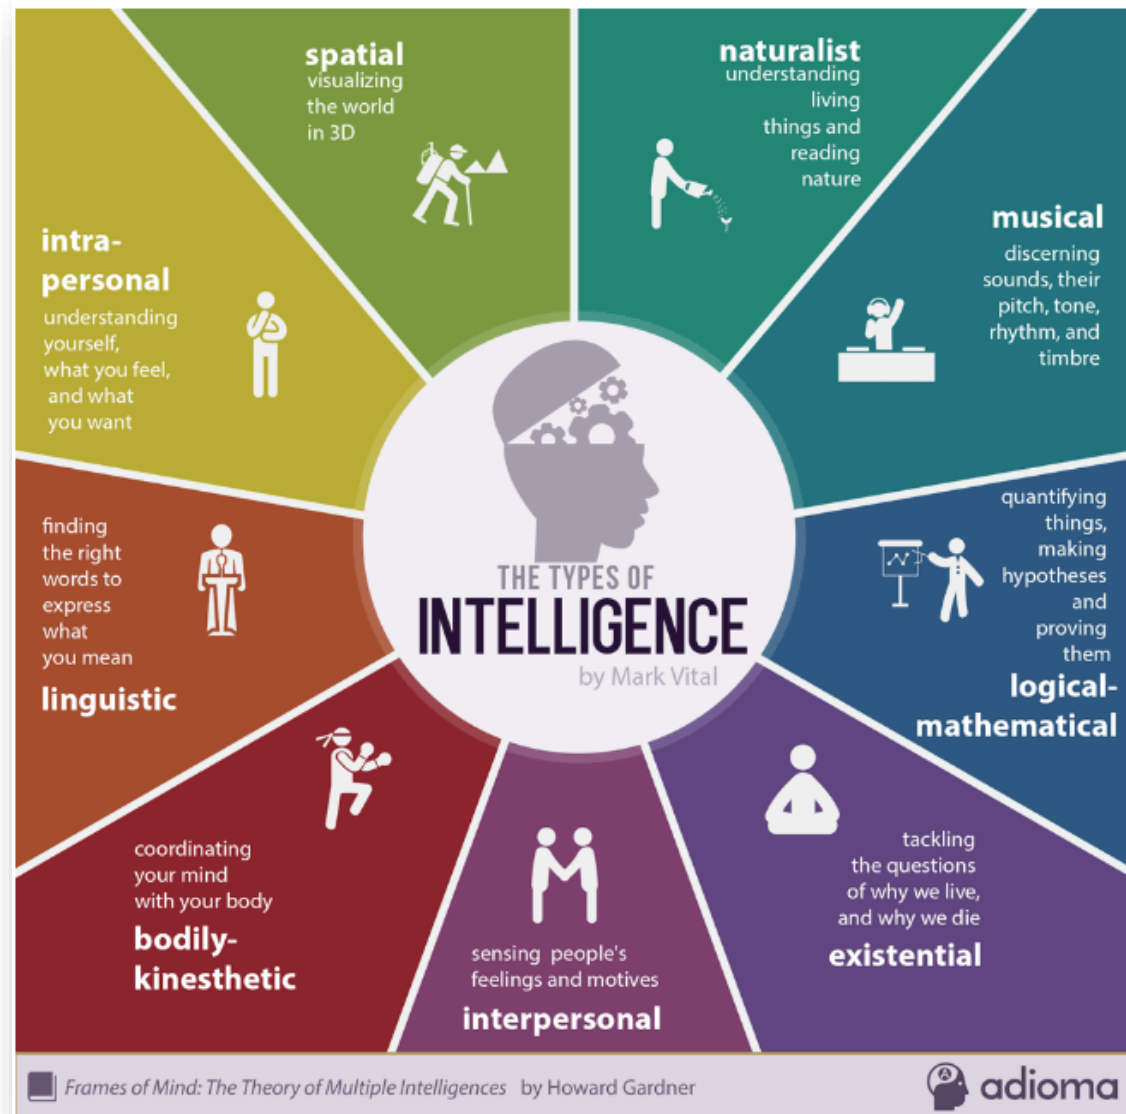

As you watch this video, on your **sticky note** write down which ones you relate to.

EXPLORE YOUR RESULTS

Making the Most of Your Results

After completing the assessment, you will automatically receive your results.

Check out which intelligences are your strongest and be sure to read the **full report** to get ideas.

Take a look at your intelligences. These will help you know how you can play to your strengths.

Read your full report. Your full report includes recommendations for each intelligence. This includes ways to use top intelligences as well as ways to develop intelligences that are more challenging for you.

Talk things over with your parent/guardians, teachers, or counselor. They can help you come up with new ways to use what you've learned about yourself to help you succeed in school and life.
