

## REFLECTIONS

Hello Reflections Chairs,

The result from WA State PTA Reflections is finally here!

The WSPTA committee and Everett PTSA Council Reflections chairs would like to congratulate the students, who are the 2022-2023 Award Winners of the WSPTA Reflections program. All students who are identified as a top finisher will receive an award and their award will be mailed to them, in the coming weeks. Please see the [complete list](#) of all the winners from all the schools in WA State, and below is the list of winners from our council.

*Students receiving the Outstanding Interpretation award, qualify for the National PTA Reflections level of judging and their submission has been automatically forwarded to National PTA. We don't have anyone advancing from our council this year. Winners at the national level will be announced in early May.*

WA State will be hosting a virtual Reflections Student Celebration on April 27th. Feel free to invite family, friends, PTA members, community members, etc. Please allow time for the award recipients and their guests to register, once it is within 2 weeks of the event, feel free to invite anyone who is interested to attend.
