

Happy Wednesday CTE

"Some people want it to happen, some wish it would happen, others make it happen." —Michael Jordan

FOR YOUR INFORMATION:

CTE Communication Chain

Have questions? We are asking you follow these steps to streamline communication:

Middle School CTE:

Access Weekly Update → Ask Facilitator

High School CTE:

Access Weekly Update → Ask CTE Department Head → Ask Facilitator

Common questions:

- What is the process for a field trip? How do I order items for my class?
Where do I access the CTE web page?
 - HS - Ask your CTE Department Head
 - MS - Ask your CTE Facilitator
- What training is available? Can I get a copy of the course framework?
Does this new course idea fit in the pathway? Can we team teach a lesson?
 - HS and MS - Ask your CTE Facilitator
- What support is available for me in the building? Where and how can I promote my program?
I have a safety issue.
 - HS and MS - Ask your CTE Administrator

CTE Order Form

CTE orders are reviewed every Wednesday. Make sure to enter your order into the [CTE Order form](#) by Tuesday at 3:00 PM.

Conference Recaps

As conferences begin for the 2022 – 2023 school year, this is a perfect opportunity to promote our CTSO/CTE Clubs and our teachers professional learning experiences outside of the district. If you attend a conference or professional learning experience upon your return, please send us an update of the experience. Be sure to share students in action by sharing FERPA approved student photos with CTE.

Important Dates

Oct. 27

General Advisory Kick Off
Port Gardner A
3:00-4:30pm

Nov. 3 – 4

WA – ACTE Fall Conference
Ground Mound, WA

Nov. 11

Veterans Day – Schools Closed

Nov. 23 – 25

Thanksgiving Break – Schools Closed

Dec. 19 – Jan. 2

Winter Break – School closed

For information on other WA-ACTE Conferences please refer to your Section websites.

NEW Samsung Solve for Tomorrow

Samsung [Solve for Tomorrow](#) contest is now open. Application submissions will close on **November 2**. You **do not need to be a STEM educator to apply**. Any teacher can apply and **win big!** Don't just take our word for it; here is a note from a National Winner, Allie. Her team brought home **over \$100,000** in technology and classroom supplies for her school, and she wants to tell you about her journey with SFT, as a PE teacher:

"My name is Allie Langwald, I am a Physical Education teacher from Hope of Detroit Academy in Michigan and I was a Samsung Solve for Tomorrow National Winner. When I first heard about the competition, I thought "will they even let me apply as a PE teacher?" but after reading the rules I realized any teacher can apply. The application seemed intimidating, but once my students settled on the problem they wanted to tackle, the rest fell into place naturally.

My one piece of advice to anyone considering applying, is to just take this chance. You never know until you try and I am so glad that I did! Being part of this competition not only made me a better person, but it also made me a better teacher. My students are so much more passionate about their community and giving back, I have noticed a marked improvement in their engagement in class as well. Now I teach a 7th hour STEM class and decided to make the curriculum focused on projects that solve real world problems in our school community. Students were so excited, there was a waiting list to join the class!"

There are days left to apply, but that's okay. At this point in the contest, you do not need a perfected idea or complete solution. Simply identify the problem you and your students face in the community, which you would like to solve using STEM subjects, and the steps you will take to get there.

If you want to learn even more about the competition directly from our teachers and Samsung leadership, give a listen to the [dailySTEM podcast](#). You can hear from Solve for Tomorrow Alumni and STEM teacher, Kevin Lay and Senior Director of Corporate Citizenship at Samsung, Ann Woo.

Complete and [submit your application](#) by **Wednesday, November 2, at 11:59 PM EST, for your students to be eligible to participate.**

NEW Equipment Training

Before new equipment is deployed to your class, CTE staff will be trained on safety, operation, and basic troubleshooting of the equipment. This training often occurs online through the vendor. CTE will also offer in person, one on one training as well.

The goal? To ensure teachers have the necessary skills to safely teach students industry knowledge and skills. Training logs will be provided by your CTE Facilitator during the deployment process.

Already have equipment and need training? Email [Danielle DeLuca](#) to start the process.

NEW CTSO/CTE Club Additional Support Advisors ONLY

Please note that Additional Support will be based on November 1 affiliation (membership) totals. Members added after November 1 will not be counted when calculating Additional Support.

ADDITIONAL SUPPORT	
<ul style="list-style-type: none"> • CTE will provide \$50.00 per affiliated (dues paying) member. Up to \$3,000.00. See STUDENT AFFILIATIONS/DUES on page 2 of this document • These funds may be used to support additional funding needs as the advisor sees fit. EXCLUDES ASB Cards. • The CTE Office will have the right to refusal. • To request these funds please complete the following form: CTSO/CLUB Additional Funding Request 	★ Number of affiliated members will be based on November 1 member count. Affiliated members who join the CTSO/CTE Club after November 1 will not be counted for Additional Support .

NEW Field Trip Categories

When filling out field trip forms make sure to mark the correct Category.

Categories of Field Trips

- Category 1: Single-Day, Extended Day, In-State Field Trips
- Category 2: Overnight or Out-of-State Trips (including Victoria and Vancouver, BC area), and Outdoor Education Programs
- Category 3: International Travel

Activity type: ☐ Category 1
☐ Category 2 (Out-of-state requires prior approval of the superintendent)
☐ Category 3 (Requires school board approval)

Save the Date

We are creating a CTE Events calendar. We would like to update the calendar with information regarding what CTE related events and activities are happening in your classroom, school, within your CTSO/CTE Club, etc. Examples include field trips, student parent nights, conferences, etc. You can send the dates and locations to your CTE Facilitator.

Worksite Learning Classroom Presentation

If you would like a brief classroom presentation (5 minutes) on the process for students enrolling in the Worksite Learning Program, please email Bree Youngberg at byoungberg@everettsd.org. This program allows students to earn .5 CTE/Elective credit for every 180 hours worked at their current job. It is a great opportunity for all students to take advantage of!

3D Printing Opportunities

- Interested in incorporating 3D printing into your course? We need to get you started! Email [Danielle DeLuca](#) to start the process.

Precision Exams

Purchased by CTE, Precision Exams will help meet several district requirements. All CTE courses should give the [21st Century Success Skills](#) Exam (pre and post) this year.

Steps to get started – [Precision Exam Washington](#)

1. Register as a proctor: <https://knowledgebase.youscience.com/proctor-registration>
 ☆ After you register **as a proctor please email me and I can approve your registration**
2. Create exam code: <https://knowledgebase.youscience.com/create-exam-code>
3. Proctor your exam: <https://knowledgebase.youscience.com/proctor-exam>

Presentation reference:  [CTE Department Meeting - Precision Exams.pptx](#)

ACTION ITEMS:

CTSO/CTE Club Advisors ONLY

2022 - 2023 CTSO/CTE Club Affiliation Documentation

Please make sure to complete the [2022 - 2023 CTSO/CTE Club Affiliation Documentation](#)

COMPLETE BY: Tuesday, November 1 @ 2:00 PM

CTSO/CTE Club Advisors ONLY

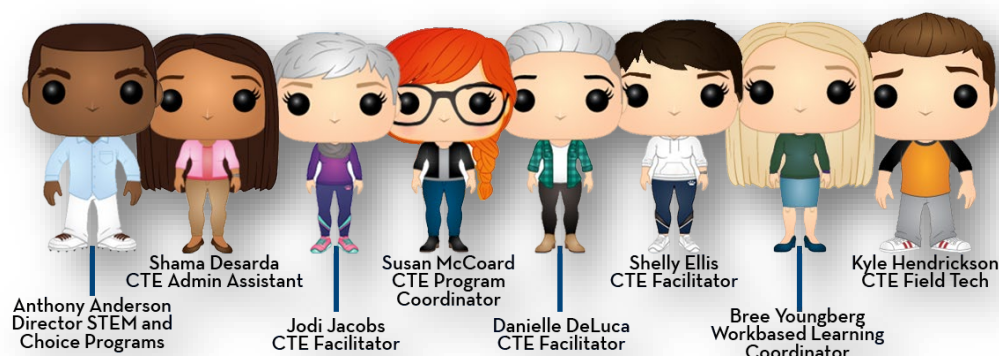

Field Trip paperwork

Please make sure to complete all of your preset (dates and locations already posted) CTSO/CTE Club field trip paperwork in order to obtain Superintendent approval in advance of the 45-day window. All over night and out of state field trips need to be approved by the Superintendent's office prior to making any arrangements. Starting this year, all travel arrangements will go through the home school.

☆ Updated Field Trip Paperwork: [Field Trip Paperwork.pdf](#)

COMPLETE BY: Tuesday, November 1 @ 2:00 PM

The CTE team

NEW = New since previous CTE Weekly Update.
