

THIS HOLIDAY SEASON, HELP AN EVERETT PUBLIC SCHOOLS 'KID IN TRANSITION'

Did you know ...

There are **over 800 students** currently enrolled in our schools who qualify as a '[Kid in Transition](#)' (KIT)? They either don't know where they will sleep tonight, are doubled-up with another family, in a temporary shelter, living in a car or in another unstable home situation. There are also **over 100 kids** in our high schools who are unaccompanied homeless youth (UHY) which means they are not in the care of a parent or legal guardian.

The holidays and cold winter months can be particularly rough on these youth and their families, even more so this time of year. We need your help!

Mail checks by Dec. 8 to:
