**Dear Parent,**

Teachers throughout the district are utilizing the Canvas Learning Management System (Canvas-LMS) so the district is launching guardian access to Canvas and promoting use of the **Canvas Parent** App. If you need support, email LMS@everettsd.org
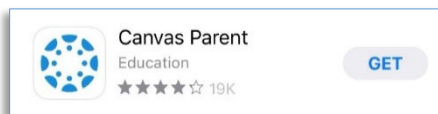

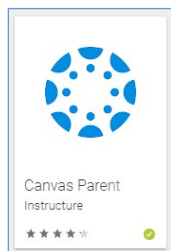

**Parent App feature highlights**

- See all children and courses where Canvas is in use
- View upcoming or past Canvas assignments by course or week.
- Opt-in for alerts regarding Canvas missing work

**Getting started – find the app for your Android or IOS device**

Parents can use the Canvas Parent App on Android devices using Android 5.0 or later and iOS devices using iOS 10.0 or later.

ANDROID Directions    IOS Directions

Canvas Parent
Education    GET
★★★★☆ 19K

Then 1, 2, 3 and you will have it on your device.
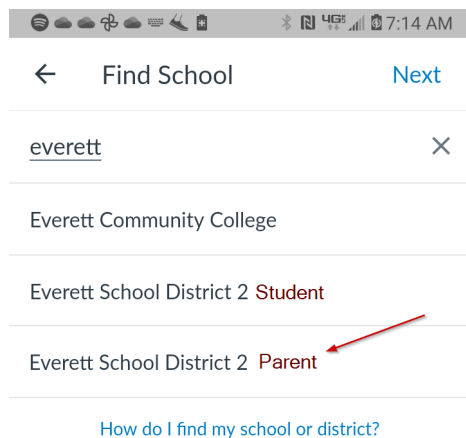

Canvas Parent
Instructure
★★★★☆

1. Open the Canvas Parent app, tap the Find My School
2. Select **Everett School District 2**
3. User your LMS username and password

This user name and password is the same you use for gradebook, Home Access Center, District Website, and District App. Contact lms@everettsd.org for password assistance

**How it works**

Once you log into the app – you will see your child's name. If you have multiple students, you will see an arrow to find a list of your children.
