Assignment

Your assignment is to write a reflective essay explaining your cultural identity.

Minimum of 3 double-spaced pages at Times New Roman pt 12 font.

1. Planning and Prewriting: Plan for your essay

How will you generate ideas about aspects of your culture that might help convey your sense of identity?

How does your sense of cultural identity compare to that of your parents, your peers, or even strangers?

How can a cultural conflict—either internal or external—clarify how your cultural identity influences your perspective?

How might you use a particular cultural element (food, language, clothing, etc.) as a metaphor or central idea to focus your essay?

What will you include in a preliminary outline of an organizational structure?

2. Drafting: Compose your reflective essay

How will you use your prewriting and outline to be sure you include all the components identified in your organizational structure, including an effective introduction and conclusion?

How will you ensure that you make necessary changes to the draft as you refine your ideas?

3. Evaluating and Revising: Create opportunities to review and revise to produce the best work

How can you use the Scoring Guide to help you note areas in need of improvement such as cohesion of ideas, organizational structure, or use of language?

How can you revise for purposeful and clear use of language, including syntax patterns such as parallel structure and phrases?

Which resources will you consult (dictionary, thesaurus, spell-check, grammar handbook, style guide) to ensure grammatically correct sentences, appropriate punctuation, correct spelling, and proper text citation?
