ANNUAL REPORT TO THE COMMUNITY 2024-25

Everett School District serves over 20,000 students in 28 schools and is the thirteenth-largest school district in the state. This report provides information about our school district, schools, staff members, and students. It is designed to provide parents and community members with important demographic, budget, facility, and student achievement data. Additional information about our schools can be found on the Washington Office of Superintendent of Public Instruction website.

MISSION STATEMENT

To inspire, educate, and prepare each student to achieve to high standards, contribute to our community, and thrive in a global society.

VISION STATEMENT

Our students will lead and shape the future.

They will be well-rounded, healthy, and flexible thinkers with a global perspective who can access resources and collaborate.

They will demonstrate empathy, pride, and advocacy for self, school, and community while respecting the diversity and worth of others.

They will acquire the knowledge, attitudes and skills to adapt to the emerging needs of a changing world.

Our students academically outperformed the state average and demonstrate year over year improvement in most categories, as well as outperforming neighboring school districts in most measures. Thanks to our hardworking educators, success is within reach for all our students with an increased emphasis on reading at early levels, strong monitoring and collaboration, and core focus on climate, culture, systems, and instruction. We are pleased but not satisfied and continue to work towards improvement.
