

EVERETT SCHOOL DISTRICT NO. 2
RESOLUTION NO. 1319
Public Records Index Exemptions

WHEREAS, the Everett School District No. 2 Board of Directors ("Board") is committed to providing the public full access to records concerning the administration and operations of the District in compliance with Chapter 42.56, RCW, otherwise known as the Washington Public Records Act; and

WHEREAS, the Board recognizes that the district continuously generates a tremendous volume and diversity of records throughout the district at numerous elementary schools, middle schools, high schools, and various other district administrative facilities and departments; and

WHEREAS, the Board recognizes that due to the district's limited staff resources, the vast quantity of documents associated with district functions, and the diverse, complex records stored in multiple locations and in multiple databases throughout the district, attempting to maintain a current index of all the district's records would be impracticable, unduly burdensome, and ultimately interfere with the operational work of the district and its essential function of providing a public education to students.

THEREFORE, BE IT RESOLVED, that the Everett School District No. 2 will not maintain a current index of its records and that a copy of this resolution will be made available upon request; and

BE IT FURTHER RESOLVED, that execution of this Resolution is conclusive evidence of the Board's approval of this action and of the authority granted herein. The Board warrants that it has, and at the time of this action had, full power and lawful authority to adopt this instrument.

ADOPTED by the Board of Directors at its regular meeting this 25th day of March 2025, and authenticated by the signatures affixed below.
