RESIDENTIAL REAL ESTATE PURCHASE AND SALE AGREEMENT
GENERAL TERMS
(continued)

- a. **Purchase Price.** Buyer agrees to pay to Seller the Purchase Price, including the Earnest Money, in cash at Closing, unless otherwise specified in this Agreement. Buyer represents that Buyer has sufficient funds to close this sale in accordance with this Agreement and is not relying on any contingent source of funds or gifts, except to the extent otherwise specified in this Agreement.
- b. **Earnest Money.** Buyer agrees to deliver the Earnest Money within 2 days after mutual acceptance of this Agreement. Selling Licensee will deposit any check to be held by Selling Broker as Earnest Money within 3 days after receipt or mutual acceptance, whichever occurs later. If the Earnest Money is held by Selling Broker and is over \$5,000.00 it shall be deposited into an interest bearing trust account in Selling Broker's name provided that Buyer completes an IRS Form W-9. Interest, if any, after deduction of bank charges and fees, will be paid to Buyer. Buyer agrees to reimburse Selling Broker for bank charges and fees in excess of the interest earned, if any. If the Earnest Money held by Selling Broker is over \$5,000.00 Buyer has the option to require Selling Broker to deposit the Earnest Money into the Housing Trust Fund Account, with the interest paid to the State Treasurer, if both Seller and Buyer so agree in writing. If the Buyer does not complete an IRS Form W-9 before Selling Broker must deposit the Earnest Money or the Earnest Money is \$5,000.00 or less, the Earnest Money shall be deposited into the Housing Trust Fund Account. Selling Broker may transfer the Earnest Money to Closing Agent. Buyer agrees to pay financing and purchase costs incurred by Buyer. If all or part of the Earnest Money is to be refunded to Buyer and any such costs remain unpaid, the Selling Broker or Closing Agent may deduct and pay them therefrom.
- c. **Included Items.** Any of the following items located in or on the Property are included in the sale: built-in appliances; wall-to-wall carpeting; curtains, drapes and all other window treatments; window and door screens; awnings; storm doors and windows; installed television antennas; ventilating, air conditioning and heating fixtures; fireplace doors, gas logs and gas log lighters; irrigation fixtures; electric garage door openers; water heaters; installed electrical fixtures; lighting fixtures; shrubs, plants and trees planted in the ground; hot tubs; and all bathroom and other fixtures. The items identified in Specific Term No. 4 are included only if the corresponding box is checked. If any of the above Included Items are leased or encumbered, Seller agrees to acquire and clear title at or before Closing.
- d. **Condition of Title.** Buyer and Seller authorize Selling Licensee, Listing Agent or Closing Agent to insert, attach or correct the Legal Description of the Property over their signatures. Unless otherwise specified in this Agreement, title to the Property shall be marketable at Closing. The following shall not cause the title to be unmarketable: rights, reservations, covenants, conditions and restrictions, presently of record and general to the area; easements and encroachments, not materially affecting the value of or unduly interfering with Buyer's reasonable use of the Property; and reserved oil and/or mining rights. Monetary encumbrances not assumed by Buyer shall be paid by Seller on or before Closing. Title shall be conveyed by a Statutory Warranty Deed. If this Agreement is for conveyance of a buyer's interest in a Real Estate Contract, the Statutory Warranty Deed shall include a buyer's assignment of the contract sufficient to convey after acquired title. *See also term "A" in Section 1.1*
- e. **Title Insurance.** Seller authorizes Buyer's lender or Closing Agent, at Seller's expense, to apply for a standard form owner's policy of title insurance, with homeowner's additional protection and inflation protection endorsements if available at no additional cost, from the Title Insurance Company. The Title Insurance Company is to send a copy of the preliminary commitment to both Listing Agent and Selling Licensee. The preliminary commitment, and the title policy to be issued, shall contain no exceptions other than the General Exclusions and Exceptions in said standard form and Special Exceptions consistent with the Condition of Title herein provided. If title cannot be made so insurable prior to the Closing Date, then as Buyer's sole and exclusive remedy, the Earnest Money shall, unless Buyer elects to waive such defects or encumbrances, be refunded to the Buyer, less any unpaid costs described in this Agreement, and this Agreement shall thereupon be terminated. Buyer shall have no right to specific performance or damages as a consequence of Seller's inability to provide insurable title.

If this Agreement is contingent on the sale of Buyer's home, this sale shall be closed 1 day after the closing of the sale of Buyer's home or 30 days after Buyer's waiver of that contingency, whichever date occurs earlier. "Closing" means the date on which all documents are recorded and the sale proceeds are available to Seller.
- g. **Possession.** Buyer shall be entitled to possession at 9:00 p.m. on the Possession Date. Seller agrees to maintain the Property in its present condition, normal wear and tear excepted, until the Buyer is entitled to possession.

Buyer agrees to pay Buyer's loan costs, including credit report, appraisal charge and lender's title insurance, unless provided otherwise in this Agreement. Buyer and Seller authorize all lenders, Closing Agents, appraisers, title insurance companies, and others related to this Sale, to furnish the Listing Agent and/or Selling Licensee, on request, any and all information and copies of documents concerning the status, progress and final disposition of financing, appraisal, Closing, title condition, and any other matter concerning this sale, including Buyer's credit report.
- j. **FIRPTA - Tax Withholding at Closing.** The Closing Agent is instructed to prepare a certification (NWMLS Form 22E or equivalent) that Seller is not a "foreign person" within the meaning of the Foreign Investment In Real Property Tax Act. Seller agrees to sign this certification. If Seller is a foreign person, and this transaction is not otherwise exempt from FIRPTA, Closing Agent is instructed to withhold and pay the required amount to the Internal Revenue Service.
- k. **Notices.** Unless otherwise specified in this Agreement, any notice required or permitted in, or related to, this Agreement (including revocations of offers or counteroffers) must be in writing. Notices to Seller must be signed by at least one Buyer and shall be deemed given only when the notice is received by Seller, by Listing Agent or at the licensed office of Listing Agent. Receipt by Selling Licensee of a Real Property Transfer Disclosure Statement, Public Offering Statement and/or Resale Certificate shall be deemed receipt by Buyer. Selling Licensee and Listing Agent have no responsibility to advise of receipt of a notice beyond either phoning the party or causing a copy of the notice to be delivered to the party's address shown on this Agreement. Buyer and Seller must keep Selling Licensee and Listing Agent advised of their whereabouts in order to receive prompt notification of receipt of a notice.
- l. **Computation of Time.** Unless otherwise specified in this Agreement, any period of time stated in this Agreement shall start on the day following the event commencing the period and shall expire at 9:00 p.m. of the last calendar day of the specified period of time, unless the last day is a Saturday, Sunday or legal holiday as defined in RCW 1.16.050, in which event the specified period of time shall expire on the next day that is not a Saturday, Sunday or legal holiday. **FINANCING ADDENDUM TO
PURCHASE & SALE AGREEMENT**

The following is part of the Purchase and Sale Agreement dated April 7, 1999
between Everett School District ("Seller")
and Rick and Kim Horst ("Buyer")
concerning 5101 Woodlawn Ave Everett, WA ("the Property")

1. **DOWN PAYMENT/LOAN APPLICATION.** This Agreement is contingent on Buyer obtaining a ☒ Conventional
☐ FHA ☐ VA purchase loan. Buyer agrees to pay up to 50% down,
and to make written application and pay the application fee, if required, for the subject Property ☐ within _____
days (5 days if not filled in) after mutual acceptance of this Agreement, or ☐ if this Agreement is conditioned on the
sale of Buyer's home, within _____ days (5 days if not filled in) after Buyer satisfies or removes that conting-
ency, for a loan to pay the balance of the purchase price. If Buyer fails to make application for financing within the
agreed time, then this financing contingency shall be deemed waived.
2. **FINANCING DEADLINE/SELLER TERMINATION NOTICE.** If Buyer has not within _____ days
(30 days if not filled in) after making application for a loan, given notice that Buyer has waived this financing contin-
gency, then Seller may, at any time thereafter, elect to terminate this Agreement by giving 5 days notice. If, within 5
days of Seller's notice, Buyer does not waive this financing contingency by notice, this Agreement shall terminate.
3. **EARNEST MONEY.** If Buyer has not waived this financing contingency, and is unable to obtain financing after a good
faith effort then, on Buyer's notice, this Agreement shall terminate and the Earnest Money shall be refunded to Buyer.
4. **INSPECTION/REPAIRS.**
Inspection May Be Required. Seller understands that in order for Buyer to obtain financing, the lender may require
inspections including, but not limited to, general structural, termite, heating, plumbing, roof, electrical, septic tank and
well water, and may require the Property to comply with the housing code. Seller agrees to permit such inspections,
but is not obligated to pay for such inspections or repairs except as otherwise agreed.
Repairs — Obligation To Make Whether Or Not Sale Closes. Seller understands that as a result of any inspection,
the city or county may require Seller to make repairs to the Property to comply with the housing code even if a sale is
not completed.
5. **APPRAISAL LESS THAN SALE PRICE.** If Buyer's lender's appraisal of the value of the Property is less than the
Purchase Price, Buyer may, within 3 days after receipt of a copy of lender's appraisal, give notice of Buyer's election
to terminate this Agreement unless Seller, within 10 days after receipt of such notice, delivers to Buyer either:
 - (i) (a) If this Agreement is contingent on FHA financing, a reappraisal by the same appraiser in an amount not less than
the Purchase Price or (b) if this Agreement is contingent on non-FHA financing, reappraisal by the same appraiser
or another appraiser acceptable to the lending institution in an amount not less than the Purchase Price; or
 - (ii) Written consent to reduce the selling price to an amount not more than the amount specified in the appraisal or
reappraisal, whichever is higher. (Not applicable if this Agreement is conditioned on FHA financing. FHA does
not permit the Buyer to be obligated to buy if the Seller reduces the Purchase Price to the appraisal value. The
Buyer, however, has the option to buy at the reduced price.)

If such reappraisal or consent to reduction of Purchase Price is not so delivered, this Agreement shall terminate and
the Earnest Money shall be refunded to Buyer. To permit the parties the foregoing times for notices, the Closing Date
shall be extended accordingly.

6. SPECIAL FHA/VA PROVISIONS.

FHA LOAN COSTS. If this sale is contingent on Buyer obtaining an FHA loan, Seller agrees to pay up to _____
(if not filled in, the amount is zero) to be applied:

- ☐ first, to that portion of Buyer's loan and settlement costs as the lender is prohibited from collecting from the Buyer under FHA regulations;
- ☐ second, to Buyer's loan discount at the interest rate selected by Buyer or to other settlement costs as allowed by FHA regulations.

(NOTE: If neither box is filled in but a dollar amount is inserted above, then both apply).

VA LOAN COSTS. If this sale is contingent on Buyer obtaining a VA loan, Seller agrees to pay the full escrow fee for the entire transaction. In addition Seller agrees to pay up to _____ (if not filled in, the amount is zero) to be applied:

- ☐ first, to that portion of Buyer's loan and settlement costs as the lender is prohibited from collecting from the Buyer under VA regulations;
- ☐ second, to Buyer's loan discount, loan fee, interest buy down and/or financing and closing costs to the extent it is allowable by VA regulations and Buyer's loan amount is not thereby reduced.

(NOTE: If neither box is filled in but a dollar amount is inserted above, then both apply).

7. FHA/VA — Appraisal Certificate. If this Agreement is contingent on Buyer obtaining FHA or VA financing, it is expressly agreed that notwithstanding any other provisions of this Agreement, Buyer shall not be obligated to complete the purchase of the Property unless Buyer has been given in accordance with HUD/FHA or VA requirements a written statement by FHA, VA, or a Direct Endorsement lender, setting forth the appraised value of the Property (excluding closing costs). Buyer shall pay the costs of any appraisal. If the appraised value of the Property is less than the Purchase Price, paragraph 5 above shall apply. If Seller does not reduce the Purchase Price to the appraised or reappraised value, or deliver a reappraisal at or exceeding the sale price, the Buyer shall have the privilege and option of proceeding with the consummation of this Agreement without regard to the appraised value, provided the difference in excess of the appraised value is paid in cash.

Purpose of Appraisal. The appraised valuation is arrived at only to determine the maximum mortgage FHA or VA will insure. Neither FHA nor VA warrant the value or the condition of the Property. The Buyer should satisfy himself/herself that the price and condition of the Property are acceptable.

"Importance of Home Inspections" Notice for FHA Loans. FHA requires the Buyer to sign a FHA "Importance of Home Inspections" Notice (NWMLS Form 22F, Rev. date 1/97 or later) on or before the date the Buyer executes any purchase and sale agreement. This requirement does not apply to new construction.

If NWMLS Form 17 has not been provided to the Buyer by the Seller at the date of this offer, then NWMLS Form 17:

Snohomish County Smoke Detector Certification Addendum

The following is part of the Purchase and Sale Agreement/Lease Agreement or Rental Agreement dated April 7, 1999, between Everett School District ("Seller" or "Lessor") and Rick and Kim Horst ("Buyer" or "Lessee") concerning: 5101 Woodlawn Ave Everett, WA (the "Property").

NOTE: Snohomish County Ordinance requires the following certification to be provided by the Seller/Lessor of "Single Family Residences" or "Licensed Care" occupancies as defined by the Uniform Building Code prior to closing or entering into a rental or lease agreement for a residence. Neither Listing Agent nor Selling Licensee can warrant Seller/Lessor's certification. The Ordinance provides as follows:

Transfer of Residence. 1007.2.9.3.6

Effective January 27th, 1997, it shall be unlawful for any person to convey fee title, rent or lease any real property, which includes a residence, or transfer possession of any residence pursuant to a land sale contract unless there is a property operating smoke detector in the residence which has been installed in accordance with this section. Prior to the closing of sale or entering into a rental or lease agreement of a residence, it shall be the duty of the owner to certify to the buyer, renter or lessee, in writing, that all smoke detectors required by this section are installed and are in proper working order.

Installation Required. 1007.2.9.3.2.

- (1) The smoke detector shall be installed in a manner and location consistent with the manufacturer's instructions. The installation shall include not less than one smoke detector adjacent to the sleeping area which is in operable condition and provides an audible warning that can be heard in all rooms, including the sleeping area(s), and not less than one smoke detector on each level of the dwelling, including the basement but excluding any crawl space or unfinished attic. Where multiple sleeping areas exist and are widely separated (i.e. on different levels or opposite ends of the residence) or where a single smoke detector will not adequately service all sleeping areas, there shall be additional smoke detectors installed adjacent to each sleeping area.
- (2) Hard-wired smoke detectors shall be installed in all residences built or manufactured after December 31, 1980. In new construction, required smoke detectors shall receive their primary power from the building wiring when such wiring is served from a commercial source and shall be equipped with a battery backup. The detector shall emit a signal when the batteries are low. Wiring shall be permanent and without a disconnecting switch other than those required for overcurrent protection. Battery-operated smoke detectors may be utilized in existing residences which were constructed prior to December 31, 1980.
- (3) No permit for alterations, repairs or additions to an existing residence shall be issued unless the owner certifies that a properly operating smoke detector has been installed in the residence in accordance with this section.

Testing and Maintenance. 1007.2.9.3.4.

Installation of smoke detection devices shall be the responsibility of the owner. Maintenance of smoke detection devices, including the replacement of batteries where required for the proper operation of the smoke detection device, shall be the responsibility of the tenant or occupant. It shall be the responsibility of the tenant or occupant to maintain the device as specified by the manufacturer and test the performance of the smoke detector(s) as recommended by the manufacturer at intervals of not less than once a month. If the detector is battery operated, new batteries shall be installed whenever the unit emits a low battery signal or at a minimum of once each year whether or not a low battery signal is present.

Removal or Tampering. 1007.2.9.3.5.

It shall be unlawful for any person to remove a properly functioning smoke detector installed in conformance with this section unless it is for the purpose of repair or replacement of the unit. It shall be unlawful for any person to remove batteries, other than for replacement, or in any other way make inoperable or interfere with the effectiveness of a smoke detector installed in conformance with this section.

SELLER/OWNER'S CERTIFICATION:

I certify that smoke detector(s) have been installed in the above referenced Property as required by section 16.04.250 of the Snohomish County Code and that the detector(s) are in proper working order.

INSPECTION ADDENDUM TO PURCHASE & SALE AGREEMENT

The following is part of the Purchase and Sale Agreement dated April 7, 1999,
between Everett School District ("Seller")
and Rick and Kim Horst ("Buyer")
concerning 5101 Woodlawn Ave Everett, WA ("the Property").

1. ☒ **INSPECTION CONTINGENCY.** The above Agreement is conditioned on Buyer's personal approval of a written inspection of the Property and the improvements on the Property. Buyer's inspection may include, at Buyer's option, the structural, mechanical and general condition of the improvements to the Property, an inspection of the Property for hazardous materials, a pest inspection, and a soils/stability inspection.

All inspections are to be (a) ordered by Buyer, (b) performed by an inspector of Buyer's choice and (c) completed at Buyer's expense. Buyer shall not alter the Property or any improvements on the Property without first obtaining Seller's permission. Buyer is solely responsible for interviewing and selecting all inspectors. Buyer shall restore the Property and all improvements on the Property to the same condition they were in prior to the inspection. Buyer shall be responsible for all damages resulting from any inspection of the Property performed on Buyer's behalf. When the terms and conditions of this Inspection Addendum have been satisfied, then this Addendum shall be deleted from and no longer a part of the Agreement.

Oil Storage Tanks. Any inspection regarding oil storage tanks or contamination from such tanks shall be limited solely to determining the presence or non-presence of oil storage tanks on the Property, unless otherwise agreed to in writing by Buyer and Seller.

Buyer waives the right to receive an amended Real Property Transfer Disclosure Statement pursuant to RCW 64.06 based on conditions identified in any inspection or inspection report(s).

Corrections. If Seller agrees to correct the condition(s) identified by Buyer, then it shall be accomplished at Seller's expense in a commercially reasonable manner prior to the Closing Date. In the case of hazardous materials, "correction" means removal or treatment (including but not limited to removal or, at Seller's option, decommissioning of any oil storage tanks) of the hazardous material at Seller's expense as recommended by and under the direction of a licensed hazardous material engineer or other expert selected by Seller. Seller's corrections are subject to reinspection and approval, prior to Closing, by the inspector who prepared Buyer's inspection report, if Buyer elects to order and pay for such reinspection.

Neighborhood Review. Buyer's inspection includes Buyer's verification in Buyer's sole discretion that the conditions of the neighborhood in which the Property is located are consistent with Buyer's intended use of the Property (the "Neighborhood Review"). The Neighborhood Review includes Buyer's investigation of the schools, proximity to bus lines, availability of shopping, traffic patterns, noise, parking and investigation of other neighborhood, environmental and safety conditions the Buyer may determine to be relevant in deciding to purchase the Property. If Buyer does not give notice of disapproval of the Neighborhood Review within _____ days (3 days if not filled in) of mutual acceptance of this Agreement then this Neighborhood Review condition shall conclusively be deemed satisfied (waived).

Check option 1A or 1B to determine the course of action following inspection:

☐ **OPTION 1A Automatic Waiver if Buyer Does Not Disapprove Inspection.**

This inspection contingency SHALL CONCLUSIVELY BE DEEMED SATISFIED (WAIVED) unless Buyer gives notice of disapproval of the inspection report within _____ days (10 days if not filled in) after mutual acceptance of this Agreement. Buyer may disapprove the inspection for any reason in Buyer's sole discretion. If Buyer gives a timely notice of disapproval, then this Agreement shall terminate and the Earnest Money shall be refunded to Buyer.

INSPECTION ADDENDUM TO PURCHASE & SALE AGREEMENT
(continued)

Requests For Modification. If Option 1A applies, Buyer and Seller agree that any discussion, notice of defects and/or request to repair which does not expressly terminate the Agreement is a request for modification only and shall not affect Buyer's right to waive or remove the Inspection Contingency and close the transaction in accordance with the terms of this Agreement. Requests for modification do not eliminate the need for Buyer to give an explicit notice of disapproval to terminate this Agreement.

OR

☒ **OPTION 1B Seller's Opportunity to Repair if Buyer Disapproves of Inspection.**

(i) **Buyer's Notice of Disapproval.** This inspection contingency SHALL CONCLUSIVELY BE DEEMED SATISFIED (WAIVED) unless Buyer gives notice of disapproval within 14 days (10 days if not filled in) of mutual acceptance of this Agreement. The notice of disapproval must (a) identify the conditions to which the Buyer objects and (b) be accompanied by a copy of the portion(s) of a written inspection report that identifies the conditions to which the Buyer objects.

(ii) **Seller's Response.** If Buyer disapproves the inspection report then Seller shall have _____ days (3 days if not filled in) after receipt of Buyer's disapproval notice to give notice that Seller (a) will correct the conditions identified in Buyer's notice, (b) offers an alternative remedy for the disapproved conditions, or (c) will not make the repairs.

In lieu of repair by Seller, the parties may mutually agree on any other remedy for the disapproved conditions, including but not limited to cash payments from Seller to Buyer or adjustments in the Purchase Price. If such an agreement on non-repair remedies is secured in writing before the expiration of the time period set forth in this paragraph 1B(ii), then this Inspection Contingency will be deemed satisfied.

(iii) **Seller Will Not Repair/No Agreement for Alternative Remedies.** If the Seller does not give notice that the Seller will correct the condition(s) identified by Buyer or if the parties have not secured a written agreement for alternative remedies, then Buyer may elect to give notice of termination of this Agreement within _____ days (3 days if not filled in) after expiration of the time limit in paragraph 1B(ii) or delivery of Seller's notice pursuant to paragraph 1B(ii), whichever first occurs. The Earnest Money shall then be refunded to the Buyer and the parties shall have no further obligations to each other. Requests for modification or Buyer's "conditional approval" of the inspection report do not eliminate the need for Buyer to give an explicit notice of termination to terminate this Agreement.

ATTENTION BUYER. You should carefully note paragraphs 1B(i) and 1B(iii). Unless you give these notices, you will be required to purchase the Property without the Seller having corrected the conditions noted in the written inspection report and without any alternative remedy for those conditions.

2. ☐ **WAIVER OF INSPECTION.** Buyer has been advised to obtain a professional building, hazardous substances, pest or soils/stability inspection, and to condition the closing of this transaction on the results of such inspection(s), but Buyer elects to waive the right and buy the Property in its present condition. Buyer acknowledges that the decision to waive Buyer's inspection options was based on Buyer's personal inspection and Buyer has not relied on representations by Seller, Listing Agent or Selling Licensee.

3. ☐ **BUYER PURCHASES "AS IS"/SELLER'S DISCLAIMER OF WARRANTIES.** Buyer elects to purchase the Property "AS IS." Buyer acknowledges that the decision to purchase "AS IS" was based on Buyer's personal inspection and Buyer has not relied on any representations by Seller, Listing Agent or Selling Licensee. **Seller explicitly disclaims and deletes from the Agreement any warranties and representations relating to the physical condition of the Property set forth elsewhere in the Agreement.**
