

Everett Public Schools Annual Strategic Plan Update 2014-15

Mission

Inspire, educate, and prepare each student to achieve to high standards, contribute to our community, and thrive in a global society.

Vision

Our students will lead and shape the future.

They will be well-rounded, healthy, and flexible thinkers with a global perspective who can access resources and collaborate. They will demonstrate empathy, pride, and advocacy for self, school, and community while respecting the diversity and worth of others. They will acquire the knowledge, attitudes and skills to adapt to the emerging needs of a changing world.

Core Values

Our core values drive our actions and behavior.

Learning We believe each student has the ability to learn and achieve to high standards.

Equity We honor and support each student's right to learn and achieve.

Integrity We act in good faith, serving others with honesty and dignity. We serve as steward of the public trust.

Passion We are passionate about teaching and learning.

Respect We value differences among people and treat one another with respect.

Diversity We embrace diversity as an essential asset; we are inclusive and treat our differences as a core strength.

Collaboration We believe in learning and working together, the value of diverse views, and the power of collective wisdom.
