Our school board has been guiding the planning process for the technology plan and use of funds since that levy was first considered. Our school board has been reviewing and tracking information systems department's planning and the progress toward SIS and LMS – all leading up to last month's approval of Global Scholar as the vendor. The dates of the board's discussions of this topic include:

- Oct. 20, 2009: 2010-2013 Curriculum and Technology Plan for Student Learning
- March 23, 2010: 2010-2013 Curriculum and Technology Plan for Student Learning, approval of plan
- Nov. 2, 2010: Strategic Progress Monitoring, Learning Management System Upgrade
- Dec. 7, 2010: Superintendent's Report
- Dec. 7, 2010: 2010-2013 Curriculum and Technology Plan for Student Learning Update
- Feb. 8, 2011: Award of Learning Management System Contract
- Feb. 22, 2011: Midyear Report on the 2010-11 Strategic Plan
- Feb. 22, 2011: Technology Action Plan (TAP) Initial Review
- March 22, 2011: Technology Action Plan (TAP) to be submitted for endorsement
