Introducing new [*Professional Development*](#) software, [ERO](#) – Electronic Registrar Online

Find a link to the **new professional development course registration system** by clicking on the ERO icon below, or from the [district website](#), or the Favorites toolbar on your district computer. Once you are on the ERO website (<http://pd.everettsd.org>), mark it as a favorite link on your desktop for future access. **Beginning June 2**, you will be directed to access this system to register for future in-district classes, workshops and other professional opportunities.

For your convenience, ERO will use the same ID and numeric password as the SmartFindExpress absence-reporting system. Look for an easy-to-read training guide coming to your inbox in the next week. Log in and take a look around!
