What is Naviance?

Naviance is an online, comprehensive college and career readiness tool for students.

Naviance helps connect how students are doing academically to what they want to do after high school.

Naviance helps align students' strengths and interests with where they want to go in the future.

Why Do We Have Naviance?

- Prior to Naviance, college and career planning used multiple online resources
- Naviance provides a more comprehensive option, “one stop shopping”
- Information and resources provided are available to all different students
- Access to Naviance online and available to grades 6-12 in addition to alumni

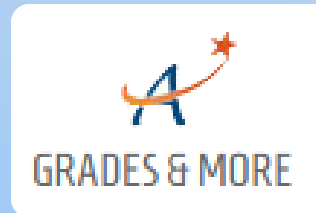

How Are Students Using Naviance?

- High Schools
 - ***Fully Implemented***
 - ***Lessons facilitated by counselors in grades 9-12***
 - ***Applying to college***
- Middle Schools
 - ***Planning implementation with counselors***
 - ***Lesson development for grades 6-8***
 - ***“Field Testing” lessons in middle school classrooms***

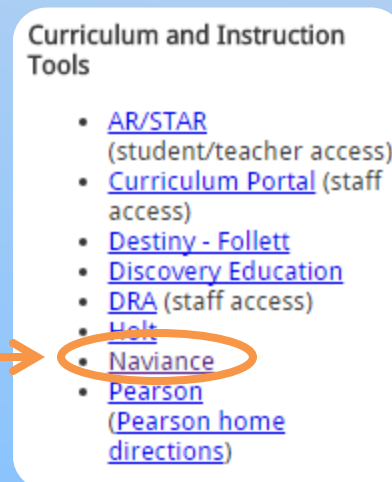

How Do Students Access Naviance?

- Students can access through district website
 - www.everettsd.org

- Click **Grades & More**

- Click the link for **Naviance**

- All students have own personal log in

What is Naviance Family Connection?

Home page

- View updates and links from the school
- Read and send e-mail messages to school counselor

The Naviance, Family Connection home page connects you to tabs and tools that will allow you to access online resources, communicate with school counselors, and collaborate on college and career readiness activities.

Navigating Naviance Family Connection

First, you will see the main page for **Family Connection** where you can access tabs for ***courses, colleges, careers, about me*** and ***my planner***.

The screenshot shows the 'family connection' website. At the top, there's a teal header with the title 'family connection' in yellow. Below it is a navigation bar with tabs: 'home' (orange), 'courses', 'colleges', 'careers', 'about me', and 'my planner' (which has a calendar icon). On the right of the header is a language selector set to 'English'. The main content area has a white background. On the left, there are two sections: 'my colleges' with links 'colleges I'm thinking about' and 'colleges I'm applying to'; and 'links' with icons and links for 'fsa pin info', 'college board set up', 'ncaa eligibility', 'fafsa', 'sat registration', and 'wa community college'. The central part of the page has a welcome message: 'Welcome to Family Connection! Our school's Family Connection site is designed to help guide you through course planning, career planning, college planning, and the application process during your middle and high school years.' Below this is a section 'In Family Connection you can:' followed by a list of six items with orange bullet points: 'Set goals', 'Build a resume', 'Identify your strengths', 'Identify compatible careers', 'Search for colleges', and 'Manage the college application process'. Each item has a brief description. On the right side, there's an orange box for the mobile app 'Naviance Student' available on the App Store, and a white box with a blue border showing 'You have no new messages' and links to 'document library' and 'contact us'.
