

## Questions and Answers

### Middle school courses for high school credit

**1. What courses may my student take in middle school for high school credit?**

A student in 7th or 8th grade who takes algebra, geometry, coordinated science, English 1, Spanish 1, or Washington State History is eligible for high school credit.

**2. If my student successfully completes a high school credit-bearing class in middle school, will she be required to repeat the course in high school?**

No.

**3. How do I make sure the credit earned in middle school will be recorded on my student's high school transcript?**

When your student enrolls in high school, you will receive a letter from the principal notifying you that your student is eligible to receive high school credit for eligible courses completed in middle school. Parents and guardians can submit a *Middle School Classes for High School Credit form* so that their student's credit and grade will be added to her permanent transcript.

**4. When does this need to happen?**

You may submit the form any time during high school until your student graduates.

**5. If I choose not to have my middle school grades posted on the high school transcript, what does this mean for high school courses?**

It means your student will need to complete all courses to satisfy graduation requirements during high school.

**6. Once the course(s) are added to a student's transcript, can they be removed?**

No. The student's final grade in the course will be recorded on his high school transcript and included in his high school grade point average (GPA).

**7. Who should I contact if I still have questions?**

You can talk to your student's counselor.
