Take the following Courses:

- Defensive Driving
- Distracted Driving
- Van Safety
- City Driving
- Winter Driving

Once you have completed a course Congratulations will appear with a link to get your certificate

You can print your certificate by Right clicking on the certificate and selecting Print or by hitting Ctrl P

In addition to the certificates above you need to provide Transportation with the following:

- Current Washington State Driver's License
- Current First Aid card
- Current Driver's Abstract(record). You may obtain your current Driver's Abstract from the WA State DOL. You can go online to get the Driver's Record at <http://www.dol.wa.gov> it costs \$13 and takes about 10 minutes and you can print or email the record from there.

Please send all documents via district mail to the Transportation Office.

Once all the necessary documents and certificates are received and verified that they meet the requirements, Transportation will mail or email you a Type II Driving Certificate, which makes you eligible to drive a district vehicle with students on board.
