

Transportation

We are so happy your child is coming to _____ ECEAP! Our district's transportation department has set up bussing for your child. Here is some important information about bussing:

1. If your child is sick or will not be attending school one day you need to call us.
 - Call Transportation at 425-385-4144 to cancel the bus
 - Call your child's teacher to report the absence
2. We assume your child will be riding the bus everyday. If you plan to bring them or pick them up you need to call ECEAP and transportation.
3. You need to meet the bus both picking up and dropping off your child. If someone is not there to meet the bus, they will return your child to school and you will have to come pick them up.
4. Bussing can be cancelled if you frequently do not call transportation when bussing is not needed. After a certain number of unsuccessful pick-up attempts they may cancel your child's bussing. This is why is it very important to call them if you do not need bussing that day.
