

	Superintendent’s Strategic Advisory Council: ROLE & PURPOSE DESCRIPTION		
Title:	Superintendent’s Strategic Advisory Council		
Interfaces:	Internal: Superintendent, superintendent’s cabinet External: Community		
Composition:	Approximately fifteen members composed of business executives and civic leaders of the greater Everett region appointed by the superintendent. <i>Facilitated by:</i> Executive Director, STEM, Partnerships & Legislation		
Staff Support:	Office of Curriculum, Assessment and Special Projects		
Scope of Work		Description of Tasks	Deliverables
To inform district investments in region’s schools, especially those related to STEM/CTE careers, the council advises the superintendent and superintendent’s cabinet of emerging trends expected to influence community.		The council meets two times per year.	Through discussion, council members provide guidance for long-term program, policy and partnership investments. Through their understanding of the district, council members are well positioned as advocates for district’s directions and plans.
		Council members review district data and description of plans for future growth and programs.	
		Council members discuss and react, providing advice.	
Authority:	Advisory to the superintendent		
Accountability:	Reports to the superintendent		
Approvals:	Advisory only
