Award winners at 2018 Innovation Expo!

Always an exciting event, almost 2,000 students, parents and community members attended this year's Innovation Expo held June 6 at Angel of the Winds Arena.

The quality of the projects was impressive and 53 judges had a difficult time selecting the winners from 225 entries ranging from engineering to experiment to research. Fifty-

five elementary and middle school students were awarded for their projects and five received special recognition.

Gateway Middle School students Arjun Vinodhan and Sushmita Musunori each received Economic Alliance Snohomish County & Snohomish STEM Network Future Innovator Awards from Patrick Pierce, CEO of Economic Alliance

Mayor Cassie Franklin presented Forest View Elementary students Sofia Pasinetti and Ava Nowak each with the Mayor's Award: Community Innovator Award

Superintendent Gary Cohn presented Evergreen Middle School student Teddy Jackson with the Superintendent's Award: Exemplifying 21st Century Skills

Gateway Middle School students Arjun Vinodhan and Sushmita Musunori each received EASC & Snohomish STEM Network Future Innovator Awards.

Mayor Cassie Franklin presented Forest View Elementary students Sofia Pasinetti and Ava Nowak each with the Mayor's Award: Community Innovator Award. Superintendent Gary Cohn presented Evergreen Middle School student Teddy Jackson with the Superintendent's Award: Exemplifying 21st Century Skills.

Families and students discovered all kinds of science, technology, engineering and math displays as they visited 25 community partner booths and 37 school booths.

Congratulations to all the students who competed in the 2018 Innovation Expo.
