9th Gr. - Check out Your Learning Style Preferences

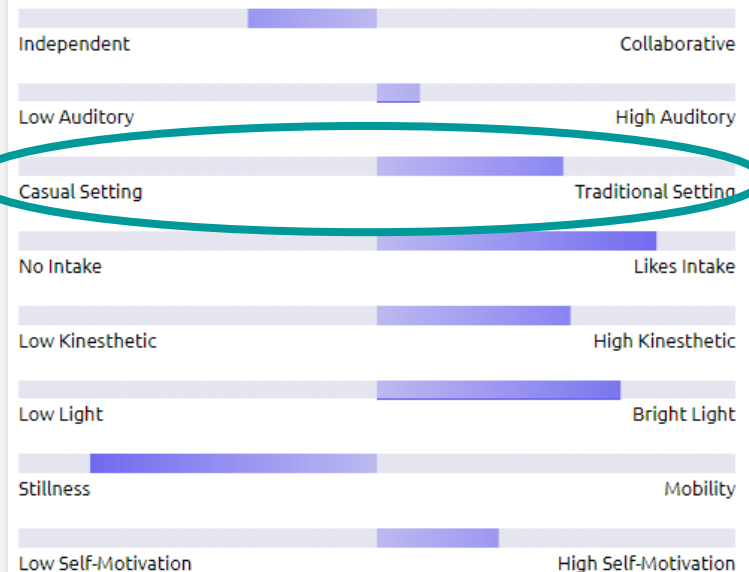

The **Learning Style Inventory** is based on the idea that people prefer to work and learn differently from one another.

Research shows that knowing *how you learn* and making adjustments in order to be productive can help make learning easier and more enjoyable.

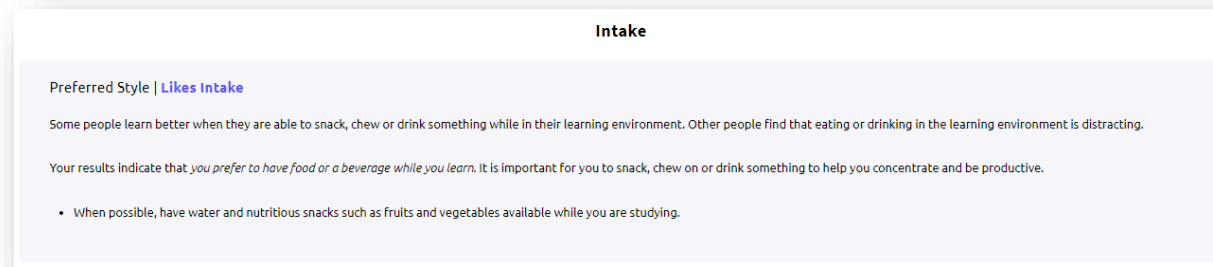

Here are your results.

Use this report to learn how to adjust to your preferences and make learning easier and fun!

Learning Style Full Report

Click on the link to your **Full Report**.

Scroll down to view the **learning tips** provided for each of your preferences.

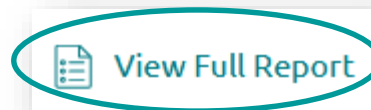

Your preferences describe the kind of environment in which **you prefer** to work and learn.

Use these tips and strategies to help you **adapt to** your learning environment.

10th Gr. - Check out Your StrengthsExplorer® Full Report

The **StrengthsExplorer® Full Report** describes your personal three themes.

Scroll down to get the summary of details from your report including a list of potential action items.

Your Top 3 Themes

You are the only person with your exact talents. Nobody in the world is the same as you.

1. Dependability

Trust is important to you, and you care about being seen as responsible and trustworthy. People count on you to do what you say you will do. When you make a promise, you mean to keep it.

2. Achieving

You have more energy and more goals than other people. You love a sense of accomplishment.

3. Future Thinker

Your mind loves to think and dream about the future. You are a person who thinks about what is possible, not what is impossible.
