Career Cluster Finder

STEP 1 — STEP 2 — STEP 3

Intro Profile Questions View Results

Find career clusters that match your interests and personal qualities.

The Career Cluster Finder will help you learn what career clusters may be a good match for you based on activities that interest you, personal qualities that you have and subjects that you enjoy studying in school.

You'll answer questions about:

1. Activities
Select activities you enjoy doing now and would like to do in the future.
2. Personal Qualities
Select personal qualities that best describe you.
3. School Subjects
Select subjects you enjoy studying in school.

That's it! Based on your answers, we'll show you the list of the top clusters that are likely to be a good match for you.

Find Clusters and Pathways

Career clusters are a way of grouping careers with common features and skills. Careers grouped into the same cluster typically require similar education and training. Exploring clusters can be a useful way to find a good career match, especially if you have general areas of interest but are not sure what specific careers match those interests. Career clusters can also help you better understand how your coursework in school can prepare you for certain types of careers
