

We are coaches for various sports in the Everett School District, substitute teachers, and parents of kids who attend various ESD schools. We also own a local race company, Run 2 Be Fit and had been collecting sneakers to help subsidize the ESD lunch debt.

We are setting up a virtual 5k for all students, staff, etc. to participate and continue to tackle the ESD lunch debt during this pandemic.

Costs:

- \$25 with medal & bib
- \$10 no medal, only bib
- FREE any ESD student (bib only)
**Extra - we will send you "extra" bibs from previous races to help keep you busy during this pandemic.*

How a virtual race works:

Run or walk from now until 6/18/20 on your own (mindful of all social distance rules).

Please email us your shipping address before 6/18/20 (for bib & medal): info@run2bfit.com
