

How to check if you purchased a yearbook (or just view your purchase history).

Go the Evergreen's school website <https://www.everettsd.org/Domain/13>

Under Quicklinks, click on Payments Online

From there, you will click the following link

Payments Online

Payments Online is an internet web service allowing parents or guardians to make payments for Everett Public Schools purchases, fines or fees. Users have student historical receipts available as well as the ability to pay for student library and textbook fines. On a school by school basis there may also be a limited offering of school and district-sponsored items or classes also available for internet purchase.

How do I log in?

To access specific information about your student, your **User Name** will be your student's district-assigned student id number and the **Password** will be that same student's registered last name (this must be entered in UPPERCASE letters). If you have more than one student attending Everett Public Schools, you will log in separately for each one.

Check it out at <https://wa-everett.intouchrecepting.com>

This link takes you our online payments system login page

Welcome to the Everett Public Schools Online Payment Website!

To login to your student's account, please use your student's identification number as the user name.
EXAMPLE: 123456

Your student's last name is the password. Please use all UPPER CASE letters.
EXAMPLE: SMITH

**** IF all upper case is unsuccessful, please try first letter upper case, remaining letters lower case. ****
EXAMPLE: Smith
