

## **ADMINISTRATION**

### **Trust Administration**

The administration of the Trust in accordance with the terms of the Trust document, benefit document(s), applicable District policies and procedures through administrative procedures adopted by the Trustees, and if the Trust self-insures any Trust benefits, Title 48, Chapter 62 RCW, its implementing regulations, is vital to the Trust and to the District. As provided by the terms of the Trust, the District will maintain at least a fifty percent voting control of the Trust.
