

Current Mission Statement: Our mission is to create a culture of wellness by promoting opportunities that enhance the overall health and quality of life for all district staff.

Revised Mission Statement Option 1:

The Everett School Employee Benefit Trust cares about the health and well-being of Everett Public School employees and their families.

Our mission is to create a culture of wellness by offering opportunities, and support that enhance and improve the overall health and quality of life for all district staff and their families so that they may live healthy and balanced lives.

Revised Mission Statement Option 2:

The Everett School Employee Benefit Trust cares about the health and well-being of Everett Public School employees and their families.

Our mission is to create a culture of wellness by offering a comprehensive employee wellness program for district staff and their families. We provide opportunities and support that serves to enhance and improve the overall health and quality of life for all district staff and their families.
